 Sulfur ..... 30.0%

**INERT INGREDIENTS:** ..... 68.5%

100.0%

NET CONTENTS AND NAME AND ADDRESS OF MANUFACTURER ON CONTAINER.

**DESTROY CONTAINER WHEN EMPTY. NEVER RE-USE.**

## DIRECTIONS FOR USE

**USE ONLY AS DIRECTED:** Apply at the rate of 55-65 pounds per acre.

**APPLES:** For control of apple scab, black rot, powdery mildew and cedar apple rust from delayed dormant through 10 days after petal fall. Begin applications at the first sign of green tissue on developing buds and repeat application during rains or immediately after as conditions warrant through 10 days after petal

fall. Due to combined protective and eradivative action, it should not be necessary to dust oftener than once every 5 days. Do not apply to apples within one day of harvest.

**PEACHES, PRUNES, AND PLUMS:** For control of brown rot blossom blight — Apply at pink, full bloom and pre-shuck fall. When cool, wet weather occurs, resulting in a prolonged bloom period, apply Dichlone Dust every 4 days. Do not apply to peaches later than 7 days of harvest. Do not apply to prunes and plums within 3 days of harvest.

*cherries*  
**SWEET AND TART CHERRIES** — For control of brown rot blossom blight — Apply at early bloom, full bloom and petal fall. When cool, wet weather occurs resulting in a prolonged bloom period, apply every 4 days. For control of cherry leaf spot — apply at petal fall and twice more at 10 day intervals. Do not apply within three days of harvest.

## CAUTION

Dichlone is a skin irritant. Avoid contact with skin, eyes, or clothing. Avoid skin contact especially during warm weather. Irritation is similar to sunburn, evidence fails to show any permanent injury. Avoid inhalation of dust. Wear protective clothing. Wash hands and face thoroughly with soap and water after use, before smoking and eating or immediately upon sensing any irritation. Keep away from feed or food products. Protective creams are suggested for the hands and faces of sensitive individuals when dusting with Dichlone.

This product is toxic to fish. Keep out of any body of water. Apply this product only as specified on this label.
