14 OZ.

**FLYING INSECTS**

Flies, Mosquitoes, Flying Moths, Sand Flies, Gnats, Wasps, Hornets: Spray toward center of room with circular motion. For average room 7 x 10 x 10 feet spray 6 or 7 seconds.

**CAUTION**

Store below 130° F. Keep out of reach of children. Avoid repeated or prolonged contact with skin. Do not spray on skin or animals— in case of accidental contact, wash with soap and water.

Remove pets, birds, fishbows, etc. from room being sprayed.

Avoid inhalation and do not spray on foodstuffs or cooking utensils.

**DIRECTIONS**

To release mist, hold container upright and spray away from you.

For space spraying, close up the room and spray upward with a sweeping motion, filling the room with mist. Keep room closed and do not occupy for 15 to 20 minutes.

**NON-WARRANTY:** Seller makes no warranty of any kind, expressed or implied, concerning the use of this product. Buyer assumes all risk in use or handling, whether in accordance with directions or not.

See back panel for additional cautions.**

**CRAWLING INSECTS**

Roaches, Waterbugs, Silverfish, Fleas, Spiders: Direct spray behind baseboards, moldings, sinks, and pipes; toward drains and dark corners, into cracks, crevices, recesses and similar hiding places. Insects should be hit directly and repeated applications should be made as insects reappear.

ANTS: Thoroughly spray ants, ant trails, areas around door sills and window frames where ants enter the premises, and cracks and other hiding places. Repeat applications are required as ants reappear.

FLEAS: Thoroughly spray cracks and other hiding places. Repeated treatment of floors, baseboards, floor coverings, and wall cracks, as well as sleeping quarters of animals is required.

**Do not spray animals.**

Clothes Moths: Spray thoroughly clothing and fabric articles with special attention to folds and seams. Repeat monthly unless stored in moth-proof containers. Spray inside of such containers. Keep bomb at least 3 feet away from clothing or fabrics being sprayed.

Bedbugs: To kill bedbugs, spray all crevices of mattresses, springs, cracks in baseboards, bedroom furniture, where bedbugs may hide. Repeat as necessary.
