KILLS CLOTHES MOTHS

100% PARADICHLOROBENZENE

**EFFECTIVE
AS A MILDEW PREVENTATIVE
AS A MOTH CONTROL
AS A DEODORANT**

DIRECTIONS

**TO PROTECT CLOTHES, FURS, BLANKETS, WOOLENS AND RUGS FROM
CLOTHES MOTHS AND CARPET BEETLES—FOLLOW DIRECTIONS:**

FURTS, brush and clean (free from grease) the articles to be stored.

IN TRUNKS AND CHESTS—Sprinkle between the garments and folds. Use at least 4 ounces in small chest or trunk—1 by 2 by 3 feet in size.

IN TIGHTLY SEALED STORAGE CLOSETS—Sprinkle over shelf and floor. Use at least 1 lb. for small closets about 7 by 2 by 2 feet in size. Use more for larger closets or trunks. Keep closets or trunks closed and as airtight as possible until garments are taken out for use. Supply should be replenished from time to time. The storage closet

should remain closed at all times and for at least 7 days after treatment. Each time it is opened additional chemical should be added and the closet should be closed for at least 7 days.

RUGS—After cleaning, sprinkle over the entire surface of rug, 1 lb. for an 8 by 10 foot rug. Roll, and wrap in heavy paper and seal.

TO PREVENT MILDEW DAMAGE—Use at least one ounce to each three cubic feet of tightly enclosed space. Use only in airtight containers or sealed closets.

CAUTION—Do not use NUGGETS or CRYSTALS with any other moth preventative or other substance. Not to be used with Vinyl plastic products. High temperature will cause products to melt. Do not store where temperature can exceed 90 degrees F.

KEEP OUT OF REACH OF CHILDREN. IF TAKEN INTERNALLY CALL PHYSICIAN. AVOID BREATHING OF VAPOR AND CONTACT WITH SKIN OR EYES. ROOMS WITH TREATED FURNITURE SHOULD BE WELL VENTILATED BEFORE OCCUPANCY.

ACTIVE INGREDIENT: PARADICHLOROBENZENE 100%
