Your letter of March 10, 1998

361 / 17 5-539593

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided that you make the following changes and submit one (1) copy to us before you ship your product:

1. Revise your Ingredient Statement as follows:

Active Ingredient	
Naphthalene	99.95%
Inert Ingredients	0.05%
TOTAL	100.00%

2. Change "Statement of Practical Treatment" to "First Aid".
3. All text must be at least 6 point. See attached sheet for other minimum requirements.
4. Add the following two sentences to your "WARNING":

Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

5. Under the "Application Directions", change "2 feet" to "4 feet".

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

Dan Peacock, Biologist
Insecticide-Rodenticide Branch
Registration Division (H7504C)

Active Ingredient:
Napthalene-100%

KEEP OUT OF REACH OF CHILDREN.

WARNING:
SEE SIDE PANELS FOR ADDITIONAL
PRECAUTIONARY STATEMENTS.

NET WT. 14 OZ. (396.9 g)

**PRECAUTIONARY
STATEMENTS
HAZARD TO HUMANS AND
DOMESTIC ANIMALS**

WARNING:

May be fatal if inhaled. Harmful
if swallowed. Avoid breathing
vapors or dust. Avoid contact with
skin, eyes, or clothing.

**STATEMENT OF PRACTICAL
TREATMENT**

IF SWALLOWED: Call a physician
or Poison Control Center. Drink one or
two glasses of water and induce vomiting
by sticking back of throat with finger.
Do not induce vomiting or give anything
by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air.
If not breathing, give artificial respiration,
preferably mouth-to-mouth. Get medical
attention.

IF IN EYES: Flush with plenty of water.
Call physician if irritation persists.

IF ON SKIN: Wash with plenty of soap
and water. Call a physician if irritation
persists.

NOTE TO PHYSICIAN: If breathing
is difficult, give oxygen.

STORAGE AND DISPOSAL

STORAGE: Store only in original
container, in a dry place inaccessible
to children or pets.

DISPOSAL: Do not reuse empty
container. Securely wrap in newspaper
and discard in trash.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

TO KILL CLOTHES MOTHS:

Use Restrictions: To kill eggs, larvae, adults of clothes moths in clean, air-tight containers (e.g., chests and trunks), garment bags, and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this Naphthalene-containing product with any other moth control chemical. For use only on cloth containing wool or wool blends.

Pre-Application Directions: Before storing, dry clean, wash or brush articles to be protected.

Application Directions: Apply product in clean, air-tight containers, bags and closets listed above at the following rates:

Pounds of Product	Area of Tightly Enclosed Space
1/4	Average Garment Bag
1/2	Large Trunk
1	50 Cu. Ft. (Small Closet)

For larger closets, multiply the height, width, and depth of the space and divide by 50 to determine the number of pounds of product needed. For example, a closet 8 feet high, 2 feet wide, and 3 feet deep (i.e. 96 cubic feet) would need about 2 pounds of product (96/50=1.9).

Post Application Directions: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

Retreatment: Since moths are active all year, replenish air-tight containers, bags, and closets 2 times a year.
