**Kills Moths • Prevents Mildew
Stops Musty Odors**

MOTH KILLER DIRECTIONS: Remove clothing, linens, fur, from pressure areas. Then apply to the surface of items. Moths will die after 24 hours. Be sure to treat all areas where moths are present. For best results, repeat application every 7-10 days. For protection of areas, re-apply as needed.

FOR MILDEW PROTECTION: Remove garments, linens, furs, from areas where mildew is present. Apply to the surface of items. Mildew will be prevented. Maximum protection is achieved after seven days. Repeat application as needed.

CAUTION: KEEP OUT OF REACH OF CHILDREN. May be harmful if swallowed. In case of accident consult physician.
