FOREST PINE TREE  
BRAND OF PARADICHLOROBENZENE

for use in...  
CLOSETS, WARDROBES, CHESTS, GARMENT BAGS, ETC.  
REMOVE CELLOPHANE — REPLACE TREE IN BOX.

**MOTH KILLER DIRECTIONS:** Brush and clean (Free from grease) articles thoroughly before storing. One tree gives protection in 30 cubic feet of tightly closed storage space which is not in daily use. Hang or place box above articles being stored. May also be used in drawers, trunks, chests, etc.

**FOR MILDEW STORAGE PROTECTION:** Remove any mildew growth from all articles in storage area. Hang above articles being stored. Keep storage place tightly sealed and tree will prevent growth and multiplication of mildew. Maximum protection is reached after 7 days (in a 30 cubic foot area). Replace tree when storage area is occasionally opened.

**AS A FRESHENER:** Can be used any place in home, auto, boat, trailer and wherever a pleasant aroma is desired. Imparts a fresh fragrance, eliminates musty and stale odors.

**DO NOT MIX FOREST PINE TREE** with Camphor, Naphthalene Flakes or Balls as these chemicals may cause crystals to melt. Neither fabrics subject to stain from perfume oil nor vinyl materials should come into direct contact with surface of tree.

Active Ingredient: PARADICHLOROBENZENE ..... 99.5%  
Inert Ingredient: AROMATIC PERFUME OILS ..... 0.5%  
100.0%
