Subject: CLICK Pure Para Moth Crystals  
EPA Reg. No. 649-54  
Your revised label of July 30, 1998

Dear Mr. Reynolds:

We have received the above revised labeling submitted under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). The results of our review of these documents follow.

The labeling referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable provided that you make the following changes and submit one (1) copy to us before you ship product:

1. Add the statement "Notice: California has determined that a chemical contained in this product causes cancer based on tests performed on laboratory animals." at the end of the Precautionary Statements section.
2. In the First Aid section, add "Note to Physician:" before "Probable mucosal damage..."
3. Delete "whenever space is opened and" from the Retreatment section.
4. In the Directions for Use section, replace "to kill" with "kills".

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy is provided for your records. If you have questions about this letter, please contact Amy Caicedo at (703) 308-9399.

Sincerely,

Daniel B. Peacock, Biologist

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

#### TO KILL CLOTHES MOTHS AND CARPET BEETLES

USE RESTRICTIONS: ~~To kill~~ clothes moths (larvae and adults) and carpet beetles in clean, air-tight containers (e.g., chests and trunks), garment bags, and storage closets. Do not use in containers, dry cleaning and garbage bags, or closets that allow vapors to escape into occupied rooms. Do not use this product with any other moth control chemical. As Paradichlorobenzene damages some plastics, do not use in plastic storage containers or place in contact with plastic items or painted/polished surfaces. For use only on cloth containing wool or wool blends.

PRE-APPLICATION DIRECTIONS: Before storing, dry clean, wash or brush articles to be protected.

APPLICATION DIRECTIONS: Apply product in clean, air-tight containers, bags and closets listed above at the following rates:

#### Pounds of Product

$\frac{1}{4}$   
 $\frac{1}{2}$   
1

#### Area of Tightly Enclosed Space

Average Garment Bag  
Large Trunk  
50 cubic feet (Small Closet)

For larger closets, multiply the height, width, and depth of the space and divide by 50 to determine the number of pounds of product needed. For example, a closet 8 feet high, 4 feet wide, and 3 feet deep (i.e., 96 cubic feet) would need about 2 pounds of product ( $96/50=1.9$ ).

POST APPLICATION DIRECTIONS: Keep product in air-tight space for a minimum of seven (7) days. Odor dissipates when treated articles are aired.

RETREATMENT: Since moths are active all year, replenish air-tight containers, bags, and closets whenever space is opened and at least 2 times a year.

*delete*

## PRECAUTIONARY STATEMENTS

### Hazards to Humans and Domestic Animals

**WARNING:** Causes substantial but temporary eye injury. Harmful if swallowed or absorbed through skin. Causes eye, skin, and respiratory tract irritation. Wear safety glasses. Do not get in eyes or on clothing. Avoid contact with skin. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

*Notice:*

### FIRST AID

**IF SWALLOWED:** Call a physician or Poison Control Center. Do not induce vomiting or give anything by mouth to an unconscious person. Drink promptly a large quantity of water. Avoid alcohol.

**IF ON SKIN:** Wash with plenty of soap and water. If symptoms persist, get medical attention.

**IF IN EYES:** Hold eyelids open and flush with steady, gentle stream of water for 15 minutes. Get medical attention.

*Note to physician* Probable mucosal damage may contraindicate the use of gastric lavage.

### STORAGE AND DISPOSAL

**STORAGE:** Store only in original container, in a cool, dry place inaccessible to children and pets.

**DISPOSAL:** Do not reuse empty container (or packaging). Securely wrap in newspaper and discard in trash.
