

# Arab<sup>®</sup> STAIN

## 1 coat does 3 jobs

### STIR WELL BEFORE USING

brush or spray. Give special attention to end grain and cut surfaces. For longer protection apply a second coat after 24 hours. Always apply a second coat to wood which will be in direct contact with the soil.

Arab 3 in 1 Stain with water repellents and wood preservatives beautifies and protects without additional coatings of other materials. If, however, you wish to seal the surface with varnish or lacquer, allow at least 72 hours for the stain application to dry.

One gallon covers 300 to 350 square feet on smooth surfaces, 200 to 250 square feet on rough surfaces.

**WARNING:** Keep out of reach of children. Harmful or fatal if inhaled, swallowed or absorbed through the skin! Do not breathe vapor or spray mist. Do not get in eyes, on skin or on clothing. Causes skin irritation. Wash thoroughly after handling. Vapors will cause injury if adequate ventilation is not insured. Do not use this product in any confined areas where vapors may concentrate and cause injury to plant or animal life. Wear protective clothing and rubber gloves when handling the freshly treated lumber. Do not reuse container. Destroy when empty. Do not use, pour, spill or store near heat or open flame.

This product is toxic to fish and wildlife. Do not contaminate water by cleaning of equipment, or disposal of wastes.

### DIRECTIONS FOR USE

ARAB STAIN is specifically formulated for outdoor use and it does three jobs

**STAINS:** One easy-to-apply coat gives wood a beautiful penetrating satin finish. Arab Stain does not show lap or brush marks and it will not crack, check or peel.

**WATERPROOFS:** High water repellent formulation protects against rain, snow and dampness. Arab 3 in 1 Stain seals the wood to make it resistant to swelling, warping, shrinking and grain raising.

**PRESERVES:** Protects against decay, fungus, mold, discoloration, weathering, termites and other wood-destroying insects. Adds years of life to the wood.

**EASY TO APPLY:** Apply only to new or well finished wood. Stir contents thoroughly and apply 1 liberal coat of Arab 3 in 1 Stain.
