Mr. Richard Miller
Prentiss Incorporated
C.B. 2000
Floral Park, NY 11002-2000

APR 20 1999

Dear Mr. Miller:

Subject: Amendment- Delete unsupported uses: alfalfa, apples, apricots, asparagus, avocados, beans, beans (succulent), beets, carrots, cherries, clover, cotton, cucumber, eggplant, flax, grapes, guavas, lentils, mangos, melons, mushrooms, nectarines, okra, onion (dry bulb), peaches, pears, peas, pecans, peppers, pineapples, plums including prunes, pumpkins, quinces, safflower, soybeans, squash, strawberries, sudangrass, sugar beets, summer squash, sunflower, tomato, tobacco, ornamental plants, beef cattle, goats, hogs, horses, mules, sheep, and military use on human skin/clothing in response to EPA's GDE Revocation Notice dated January 15, 1999
Prentox Lindane Technical Powder
EPA Registration Number 655-28
Your submission dated February 22, 1999

The amendment referred to above, submitted in connection with registration under FIFRA section 3(c)(7)(a), is acceptable provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA section 3(c)(5) or FIFRA section 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. In the Environmental Hazards, replace the second sentence with:
"Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters, unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge."

- b. In the second paragraph under the heading DIRECTIONS FOR USE, delete the crossed out word "See".
 - c. In the DIRECTIONS FOR USE, delete items "(2)" and "(3)" and their associated text. Also, delete the remaining number "(1)", since there will only be one entry.
 - d. In the STORAGE section delete the mark after "damaged" and the crossed out capital "S" before "stop".
3. Submit three (3) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager 13

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
WARNING**

May be fatal if swallowed or absorbed through skin. Harmful if inhaled. May produce irritation of skin or eyes. Do not get into eyes, on skin, or on clothing. Avoid breathing dust or vapors. Wash thoroughly with soap and water after handling and before eating or smoking. Wear protective clothing and rubber gloves. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish, birds, and other wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This pesticide may be used only for formulation of an insecticide. Formulators using this product are responsible for obtaining EPA Registration for their formulated product. See Refer to product information sheet for formulating and other information.

This technical product can be formulated into end-use products solely for the uses listed below:

- (1) **AGRICULTURAL USES:** Treatment of seeds for the following agricultural crops: Barley, broccoli, brussels sprouts, cabbage, cauliflower, celery, collards, corn, lettuce, kale, kohlrabi, mustard greens, oats, radishes, rye, sorghum, spinach, Swiss chard, and wheat.
- (2) Uses for which EPA has accepted the required data and/or citation of data that the formulator has submitted in support of registration; and
- (3) Uses for experimental purposes that are in compliance with EPA requirements.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: If container is damaged, stop any leaks by repositioning the container or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective equipment as required to prevent contact with the product or its vapors. Sweep on to a shovel and put the sweepings into a salvage drum. Dispose of wastes as below.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label directions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residues into application equipment. Then dispose of liner in a sanitary landfill or by incineration, if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Telecommunications Network at 1-800-858-7378.
