IF IN EYES—Flush with plenty of water. Get prompt medical attention.

SEE SIDE PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed. Do not dispose of in open dumps. Open dumping is prohibited.

STORAGE: If container is damaged: Stop using, repositioning the container or by patching and repairing the leaks. Take care to avoid contact with the product or its vapors. On clean areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand, or sawdust, place contaminated absorbent on to a shovel and sweepings into a salvage drum. Dispose of in a salvage drum. Do not store, use, pour, or spill near flame.

PESTICIDE DISPOSAL: Pesticide which is no longer usable or is in excess should be disposed of by use according to label directions. Improper disposal of excess pesticide, spray material, or empty container is a violation of Federal law. If these materials cannot be disposed of by use according to label directions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative of the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by other means approved by State and local authorities.

NOTE TO FORMULATORS

Certain organo-phosphate insecticides have been found to cause staining and color changes of certain sensitive dyes. Products made from these concentrates should carry warnings to prevent staining of carpeting, by spray mist or drift.
