Prentiss Drug and Chemical Co., Inc.  
363 Seventh Avenue  
New York, NY 10001

Gentlemen:

Subject: Prentox<sup>(R)</sup> 35% Malathion Oil Soluble  
Concentrate Refined  
EPA Registration No. 655-110  
Your Application Dated September 15, 1982

The amendment referred to above, submitted in connection with registration under FIFRA sec. 3(c)(7)(A) is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
  - a. Add a referral statement "See side pane for additional cautions."
  - b. Revise the Note to Physician to read "Malathion may cause cholinesterase inhibition...."
  - c. Add a NOTE TO PHYSICIAN section to the label.
  - d. Delete reference to "prolonged" on the label.
2. Submit five (5) copies of your final printed (labeling), before you release the product for shipment.

If these conditions are not complied with after acceptance, the registration will be subject to cancellation in accordance with Section 6(e) of the Act.

Sincerely yours,

*William H. Miller*
