PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May be fatal if swallowed, inhaled, or absorbed through the skin. Do not breathe vapors. Do not get in eyes, on skin, or on clothing. Wear natural rubber gloves, protective clothing and goggles when using this product. Wash thoroughly after handling and before eating or smoking.

Note to Physician: Atropine is antidotal.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to wildlife. Do not discharge into lakes, streams, ponds or public water except in accordance with an NPDES permit. For further guidance, contact the nearest EPA Regional Office.

PHYSICAL AND CHEMICAL HAZARDS

Do not store near heat or open flame. Do not store below 32°F. Material will freeze and may result in container bursting. Product may be reconstituted by agitation and warming to 70°F.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Formulators using this product are responsible for submitting data to EPA on the formulated product.

RIGHT PANEL

STORAGE

Do not contaminate water, food, or feed by storage or disposal.
Open dumping is prohibited.

STORAGE- If container is damaged: Stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required to prevent contact with the product or its vapors. Cover the spilled area with generous amounts of absorbent material, such as clay, diatomaceous earth, sand, or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of wastes as below. Do not store, use, pour, or spill near heat or open flame.

PESTICIDE DISPOSAL - Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.
