**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**  
**CAUTION**  
 Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed do not induce vomiting. Call a physician immediately. Do not apply directly to milk. Cover or remove any food and food processing equipment during application. Do not apply while food processing is under way. After space spraying in barns, poultry houses, warehouses, etc., wash with potable water all equipment, benches, shelving, etc., where exposed food will be handled. All food processing surfaces and utensils should be covered during treatment. If thoroughly washed before use. Remove pets and birds and cover fish aquariums before spraying.

**ENVIRONMENTAL HAZARDS**  
 This product is a toxic substance. It may be harmful to fish, shellfish, and aquatic life. Do not apply to water. Do not apply to lawns, gardens, or ornamental plants. Do not apply to trees or shrubs. Do not apply to crops or plants. Do not apply to animals.

**PHYSICAL HAZARDS**  
 Do not use in confined spaces. Do not use in areas where fire or explosion is a hazard. Do not use in areas where electrical equipment is present.

**DIRECTIONS FOR USE**

**STORAGE AND DISPOSAL**

**STORAGE** Store in original container in a cool, dry place. Do not store in areas where children or pets can access. Do not store in areas where food is stored. Do not store in areas where electrical equipment is present.

**PESTICIDE DISPOSAL** Wastes resulting from the use of this product should be disposed of in accordance with local, state, and federal regulations. Do not pour down the drain or into the water supply.

**CONTAINER DISPOSAL** Containers should be disposed of in accordance with local, state, and federal regulations. Do not reuse containers.

**FOR FLYING INSECTS** Flies, mosquitoes, small flying moths, gnats, and wasps. Use 1/2 oz. per 1000 sq. ft. of area to be treated. Spray directly towards flying insects. Repeat application as necessary.

**FOR CRAWLING INSECTS** Roaches, waterbugs, silverfish, and crickets. Spray thoroughly on surfaces where insects are found. Repeat application as necessary.

**DIRECTIONS FOR USE (CONTD)**

**FOR CLOTHES MOTHS & CARPET BEETLES:** Clean and spray closets thoroughly to reach all hiding places. Clean and brush woolen articles. Repeat application every 30 days. When carpets are infested, spray both sides thoroughly. When spraying near fabrics, keep spraying in constant motion, at least 36 inches away from fabric. Spraying closer may cause stains.

**FOR BEDBUGS:** Spray baseboards, molding and floor boards. Spray mattresses, particularly ground, seams and tufts. Take beds apart and spray into all joints. Repeat application as necessary.

**FOR ANTS:** Spray trails, hills around window frames and openings around pipes and baseboards where ants crawl. Repeat application as necessary.

**FOR FLEAS:** Spray floors, floor coverings and sleeping quarters. Repeat as required. Do not spray pets.

**FOR OUTDOOR USE:** To repel temporarily. Flies, mosquitoes, gnats, wasps, crickets, ants. On porches, terraces, lawns and at outdoor gatherings, spray frequently around chairs, tables, and other outdoor furniture.

**CONTACT SPRAY — Use with Sprayers that give large, wetting spray particles.** Use in greenhouses and access ble stages of plants. Effective against primary weevils, red flour beetle, and an array of other insects, larvae, grubs, beetles and saw-toothed grain moths.

**SPACE SPRAY — Undiluted in Aerosol Generators.** Use in greenhouses, nurseries, and in areas where insects are a problem. Effective against a wide range of insects, including flies, mosquitoes, gnats, crickets, and roaches. Use for mar 15th to 15th of the month. Apply at the rate of 1/2 oz. per 1000 sq. ft. of space. Repeat application as necessary.

**SPACE SPRAY — Use in Barns & Poultry Houses, Warehouses, Storage Bins & Storage Rooms.** Use in barns, warehouses, storage bins, and storage rooms. Effective against a wide range of insects, including flies, mosquitoes, gnats, crickets, and roaches. Use for mar 15th to 15th of the month. Apply at the rate of 1/2 oz. per 1000 sq. ft. of space. Repeat application as necessary.

**SPACE SPRAY — For Use in Mechanical Rigging Equipment.** Use in mechanical rigging equipment. Effective against a wide range of insects, including flies, mosquitoes, gnats, crickets, and roaches. Use for mar 15th to 15th of the month. Apply at the rate of 1/2 oz. per 1000 sq. ft. of space. Repeat application as necessary.
