Manufactured by:

**PRENTISS INCORPORATED**

Plant: Kaolin Road, Sandersville, GA 31082

Office: C.B. 2000, Floral Park, NY 11002-2000

**ACCEPTED**

APR 3 2002

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act,  
as amended, for the pesticide  
registered under  
EPA Reg. No. 655-609

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS  
CAUTION**

Harmful if swallowed or inhaled. Avoid breathing dust. Avoid contact with skin or eyes. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish and wildlife. For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater. Apply this product only as specified on label.

**Directions For Use**

This product kills accessible stages of the insects listed on label.

Grain to be treated should be clean, with little or no infestation and sufficiently dry to permit long term storage. It is advisable to dust the bottom of the bin with protectant before filling with grain. One treatment should be adequate to protect grain for a full storage season.

Dust thoroughly PRENTOX GRAIN PROTECTANT DUST NO. 101 onto grain that is being put into farm grain storage at the rate of:

- 100 lbs. per 1,000 bushels of grain
- or 25 lbs. per 250 bushels of grain
- or 10 lbs. per 100 bushels of grain

**TO CONTROL SURFACE INSECT REINFESTATION:** Dust thoroughly Prentox Grain Protectant Dust No. 101 on the surface of the stored grain including the side-walls above the grain.

When applied as directed, this product has no effect on grain germination, baking or milling qualities. Does not produce off-flavors in products manufactured from this treated grain.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

**STORAGE:** Reclose container after each use. Store in a cool dry place away from food or feed. If spilled, sweep up and dispose of as below.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill, or, by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
