PRENTOX(R)

CHLORPYRIFOS DDVP CONCENTRATE MG

(Contains Dursban(R) & DDVP)

An insecticide concentrate for formulating use only.

ACTIVE INGREDIENTS:

Chlorpyrifos (0,0-diethyl 0-(3,5,6-trichloro-2-pyridyl) phosphorothioate .....	25.00%
2-2 Dichlorovinyl Dimethyl Phosphate .....	11.63%
Related Compounds .....	.87%
Xylene Range Aromatic Solvent .....	60.88%
INERT INGREDIENTS: .....	1.62%
	<hr/> 100.00%

PRENTOX(R)-Registered Trademark of PRENTISS DRUG & CHEMICAL CO., INC.  
DURSBAN(R)-Registered Trademark of The DOW CHEMICAL CO.

KEEP OUT OF REACH OF CHILDREN

STATEMENT OF PRACTICAL TREATMENT

- If swallowed - Call a physician or Poison Control Center immediately. If possible, vomiting should be induced under medical supervision. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.
- If inhaled - Take person into fresh air. Apply respiration if indicated.
- If on skin - Remove contaminated clothing. Wash thoroughly with plenty of soap and water.
- If in eyes - Flush with plenty of water. Get prompt medical attention.

## STORAGE AND DISPOSAL (PAPER)

Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited.

STORAGE: If container is damaged: Stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required to prevent contact with the product or its vapors. Cover the spilled areas with generous amounts of absorbent material such as clay, diatomaceous earth, sand, or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of wastes as below. Place any leaking container into a similar drum or glass container. Do not store, use, pour, or spill near heat or open flame.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.
