INERT INGREDIENTS:	4.80%

*U.S. Patent NO. 3,111,539
BAYGON® is a registered trademark of the Parent Co. of Farbenfabriken Bayer GmbH, Leverkusen

ROACHES, ANTS, WATERBUGS, SILVERBUGS, SPIDERS, CRICKETS
Spray heavily into all cracks, around baseboards and other places where these insects hide. Also spray until wet surfaces behind and beneath cabinets, refrigerators, sinks, stoves, etc. Spray other localized areas infested with these pests. Repeat treatment as required.

CARPET BEETLES Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

BROWN DOG TICKS Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as re-infestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUTDOORS
For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages and other places where these insects alight or congregate.

FLEAS, CHIGGERS, ANTS AND BROWN DOG TICKS OUTDOORS
For treatment of localized outdoor infestation, spray weeds and non-crop vegetation in areas around the home. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as re-infestations occur.

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS (AND DOMESTIC ANIMALS):
CAUTION: Harmful if swallowed. Avoid inhalation and skin contact. Wash thoroughly after using. Avoid contamination of feed and foodstuffs. Do not use on household pets or humans.

PHYSICAL OR CHEMICAL HAZARDS:
Extremely flammable. Do not spray on or toward plastic tile. Contents under pressure. Keep away from fire, sparks and heated surfaces. Do not puncture or incinerate container.

SEE REAR PANEL FOR FURTHER PRECAUTIONS.

STORAGE AND DISPOSAL:

STORAGE: Exposure to temperatures above 130° F may cause bursting.
DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.
