Office: C.B. 2000
Floral Park, N.Y. 11001**

2)

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION

May be absorbed through skin, harmful if swallowed. Avoid inhalation of spray mist. Avoid skin contact. In case of contact, wash immediately with soap and water. Avoid contamination of feed and foodstuffs. Do not use on household pets and humans.

Applicators working in enclosed areas, such as crawl spaces, must wear a respirator approved by OSHA (29CFR 1910.134)

Applicators must wear the following protective clothing during the application process: a light weight protective suit or coveralls; water resistant hat; unlined, waterproof gloves; and unlined, lightweight boots. Mixers and loaders must also wear goggles or a face shield, waterproof gloves and a waterproof apron.

ENVIRONMENTAL HAZARDS - This product is toxic to fish, birds, and other wildlife. Birds and other wildlife feeding in treated areas may be killed. Do not apply directly to water. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL AND CHEMICAL HAZARDS - Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

6-15-61
(4) Container
(SLEEVE)

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.
Open dumping prohibited.

STORAGE: If container is damaged: Stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required to prevent contact with the product or its vapors. Cover the spilled areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand, or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of wastes as below. Place any leaking container into a similar drum or glass container. Do not store, use, pour or spill near heat or open flame. Do not store in car trunk where temperatures may exceed 120°F.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

RIGHT PANEL

DIRECTIONS FOR USE: (Cont'd.)

To control wood infesting beetles of the Families Lyctidae, Anobiidae and Cerambycidae in homes, barns and other existing structures

Use a 0.5% emulsion prepared by diluting 3.2 ounces of 20% Lindane to one (1) gallon of water or 16 ounces (1 pint) to 5 gallons of water. For treating support wood (Beams, Timbers, etc.) in attached porches, outside buildings and storage areas outside and around the home, barns and other existing structures, apply as a coarse spray until surfaces are wet. Brush emulsion onto small areas. Do not apply coarse spray in living areas. Do not apply as a mist. Best results are obtained when applied to dry wood.

Use of this material is limited to professional licensed Pest Control Operators only.

Do not use in poultry houses. Do not use in dairy barns and milk rooms. Remove animals from barns and cover all feed and water troughs before spraying buildings. Do not use on animals. Do not use on humans or household pets. Do not use in edible products areas of food processing plants, restaurants, or other areas where food is commercially prepared or processed.

Mr. Nick Sanchez
Prentiss Drug & Chemical Co., Inc.
C.B. 2000
Floral Park, NY 11001

Dear Mr. Sanchez:

Subject: Lindane RPAR
Prentox Lindane Borer Concentrate
EPA Registration No. 655-677
Your Application Dated November 14, 1983

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

1. The RPAR Notice incorrectly indicated the language to be used for the RESTRICTED USE PESTICIDE statement. Delete "For application only by or under the direct supervision of a certified applicator" and insert the following at the top of the front panel above the product name. (Note: type size requirements for the heading "RESTRICTED USE PESTICIDE" are the same as required for the front panel signal word.)

RESTRICTED USE PESTICIDE

For retail sale to and use only by Certified Applicators or persons under their direct supervision, and only for those uses covered by the Certified Applicator's certification.

Submit five (5) copies of your revised final printed labeling before you release the product for shipment with the amended labeling.

A stamped copy of the label is enclosed for your records.

If you hold a Federal registration, a supplemental registration, or a Special Local Needs registration, you may continue to produce new stocks of such products, using current labeling, until April 1, 1984. After that date, all remaining inventories of affected products will fall under the Existing Stocks provisions stated in our letter of October 28, 1983.

Sincerely yours,

George T. LaRocca
