PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS & DOMESTIC  
ANIMALS

CAUTION - Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed, do not induce vomiting. Call a physician immediately.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is under way. After spraying in food processing plants, wash with potable water all equipment, benches, shelving, etc., where exposed food will be handled. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use.

Remove pets and birds, and cover fish aquariums before spraying.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Do not apply directly to water. Do not contaminate water by disposal of wastes. Apply this product only as specified on this label.

PHYSICAL HAZARDS

Do not use, or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

**STORAGE:** If container is damaged. Stop any leaks by repositioning the container or by patching or otherwise repairing the leaks. Take care to avoid contact with pesticide and wear protective gear. On cleanup of spilled liquids, wear protective equipment as required as to prevent contact with the product or its vapors. Cover the spilled areas with generous amounts of absorbent material, such as clay, diatomaceous earth, sand or sawdust. Sweep the contaminated absorbent on to a shovel and put the sweepings into a salvage drum. Dispose of wastes as below. ~~Store any leaking containers in a salvage drum.~~ ~~Do not store, use, pour or spill near heat or open flame.~~

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

## RIGHT PANEL

### DIRECTIONS FOR USE (CONTINUED)

#### FOR USE IN FOGGING AND MISTING EQUIPMENT:

**Roaches, waterbugs, ants, bedbugs, silverfish.** Use 3 to 4 oz for each 1000 cu ft of space directing the spray to contact as many insects as possible. Pay particular attention to baseboards, wall mouldings, woodwork, pipe openings, breeding places and nests. Spray into hiding places, cracks & crevices, baseboards, wall mouldings, spraying directly as many insects as possible.

**Flies, mosquitoes, gnats.** Use 1/2 oz per 1000 cu. ft. of space. Apply by using equipment designed and adjusted to deliver a true aerosol mist. Close doors and windows and spray into air directing spray up to all four corners, filling room with mist. Do not spray on processing equipment. Keep doors and windows closed 15 minutes after spraying. Clean up and destroy fallen insects. Spray when plant is not in operation. Repeat as necessary. **DO NOT REMAIN IN TREATED AREAS. VENTILATE THE AREA AFTER TREATMENT IS COMPLETED.**

**Clothes Moths.** When spraying clothes in storage for adult moths, separate clothing. For the larvae, pay particular attention to seams and folds of garments. Clothing should be sprayed individually. For storing clothing in chests, first treat as per above, and also spray storage container before packing. Repeat monthly applications as advisable. **Bedbugs:** Spray mouldings, baseboards and cracks. Also spray the bedstead paying particular attention to cracks and crevices. Spray springs and mattresses as well.

**TO KILL EXPOSED STAGES OF Indian Meal Moth, Angoumois Grain Moth, Chocolate Moth, Carpet Beetle, Cigarette Beetle, Flour Grain Beetle, Rice Weevils & Cadettes** use 3-4 oz per 1000 cu ft of space directing the spray so as to contact the insects. Pay particular attention to cracks, crevices & other hiding places. Repeat treatment as required. **KILLS INSECTS ONLY WHEN THE SPRAY CONTACTS THEM.** Infested stored food products should be fumigated or treated by other effective methods using an approved product intended for this purpose.

Sanitization is necessary. Clean and remove deposits of food, grain & dust from storage areas. Clean conveyor and handling equipment. For insects affecting stored food as listed above, flour, grain & cereals, food should be removed or covered during treatment or thoroughly cleaned before using. Apply by using equipment designed & adjusted to deliver a true aerosol mist. Close doors & windows and spray into air directing spray up to all 4 corners, filling room with mist. Do not spray on processing equipment. Keep doors & windows closed 15 minutes after spraying. Clean up & destroy fallen insects. Spray when plant is not in operation. Repeat as necessary.

**FOR FLYING INSECTS:** Flies, mosquitos, small flying moths, gnats & wasps. Close door and windows. Spray freely towards ceiling in all directions until room is fogged with mist. When spraying keep about three feet from interior walls, fabrics and furniture. Doors and windows may be opened after 10 minutes. Do not remain in treated areas. Ventilate the area after treatment is completed.

**FOR CRAWLING INSECTS:** Roaches, waterbugs, silverfish & crickets. Spray thoroughly into cracks and crevices, under and behind sinks, cupboards, drawers, woodwork, refrigerators, pipes and drains, where these insects hide. Spray directly on as many insects as possible. Repeat application as necessary.

**FOR CLOTHES MOTHS & CARPET BEETLES:** Clean and spray closets thoroughly, to reach all hiding places, clean and brush woolen articles. Repeat application every 30 days. When carpets are infested, spray both sides thoroughly. When spraying near fabrics, keep spray in constant motion, at least 36 inches away from fabric. Spraying closer may cause stains.

**FOR BEDBUGS:** Spray baseboards, molding, and floor boards. Spray mattresses and box springs. It will be necessary to dismantle the bed completely, thoroughly spraying each part including mattresses and box springs. All baseboards and wall cracks about the bedroom should be thoroughly treated. Repeat application and direct contact of the pest with spray are necessary for control.

**FOR ANTS:** Spray trails, hills around window frames and openings around pipes and baseboards where ants crawl, hitting as many as possible. Repeat application as necessary.

**FOR FLEAS:** Spray floors, floor coverings, and sleeping quarters of pets and other infested areas. Repeat as required. Do not spray pets.

 Floral Park, NY 11001

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 655-775."
  - b. For the Container Disposal statement, please add the statement for plastic containers and precede these statements with the container type (e.g., metal, plastic).
  - c. Please provide the Product Chemistry for this product.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.
