Dear Mr. Miller:

Subject: Labeling Amendment
Prentox Larva-Lur with Dylox
EPA Reg. No. 655-790
Your submission dated 29 September 1997

The labeling amendment referred to above submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, has been received, and reviewed and the labeling is acceptable subject to the comment listed below. Please submit three (3) copies of your final printed labeling incorporating the changes prior to releasing your product for shipment. A stamped copy is enclosed for your records.

Under the "Environmental Hazards" section of your labeling, the statement "Do not contaminate water when disposing of equipment washwaters" is the appropriate statement. This should not be changed to "Do not contaminate...by cleaning of equipment or disposal of wastes".

Sincerely,
