

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
655-802

Date of Issuance:
FEB 24 1999

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance: Conditional

Name of Pesticide Product:

Prentox Larva-Lur contains Propoxur

Name and Address of Registrant (include ZIP Code):

Richard A. Miller
Prentiss Incorporated
C.B.2000
Floral park, NY 1002-2000

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 655-802".

Signature of Approving Official:

Tina E. Levine, PhD, Chief
Insecticide-Rodenticide Branch
Registration Division (7505C)

Date:

KEEP OUT OF REACH OF CHILDREN
AVISO CAUTION

PRECAUCION AL USUARIO: Si usted no puede leer o entender inglés, no use este producto hasta que la etiqueta le haya sido explicada ampliamente. (TO THE USER: If you cannot read or understand English, do not use this product until the label has been fully explained to you.)

FIRST AID

In case of poisoning call a physician immediately. Have patient lie down and keep quiet. **If Swallowed:** Call a physician or poison control center immediately. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting. **If on Skin:** Remove contaminated clothing and wash skin immediately with soap and warm water. **If in Eyes:** Flush with plenty of water. Call a physician if irritation persists.

Manufactured by:

PRENTISS INCORPORATED

Office: C.B. 2000, Floral Park, NY 11002-2000
Plant: Kaolin Road, Sandersville, GA 31082

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet.

SYMPTOMS OF POISONING: A sense of "tightness" in the chest. Sweating. Contracted pupils. Stomach pains. Vomiting and diarrhea.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Birds and other wildlife in treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of equipment washwaters. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact any person or pet, either directly or indirectly. Keep people and pets out of the area during application.

IMPORTANT: Read these entire Directions and Conditions of Sale before using Prentox Larva-Lur.

CONDITIONS OF SALE: THE DIRECTIONS ON THIS LABEL WERE DETERMINED THROUGH RESEARCH TO BE APPROPRIATE FOR THE CORRECT USE OF THIS PRODUCT. THIS PRODUCT HAS BEEN TESTED UNDER DIFFERENT ENVIRONMENTAL CONDITIONS BOTH INDOORS AND OUTDOORS UNDER CONDITIONS SIMILAR TO THOSE THAT ARE ORDINARY AND CUSTOMARY WHERE THE PRODUCT IS TO BE USED. INSUFFICIENT CONTROL OF PESTS OR PLANT INJURY MAY RESULT FROM THE OCCURRENCE OF EXTRAORDINARY OR UNUSUAL CONDITIONS, OR FROM FAILURE TO FOLLOW LABEL DIRECTIONS. IN ADDITION, FAILURE TO FOLLOW LABEL DIRECTIONS MAY CAUSE INJURY TO ANIMALS, MAN AND DAMAGE TO THE ENVIRONMENT. PRENTISS INCORPORATED OFFERS, AND THE BUYER ACCEPTS AND USES, THIS PRODUCT SUBJECT TO THE CONDITIONS OF ORDINARY OR UNUSUAL ENVIRONMENTAL CONDITIONS, OR FAILURE TO FOLLOW LABEL DIRECTIONS ARE BEYOND THE CONTROL OF PRENTISS INCORPORATED AND ARE, THEREFORE, THE RESPONSIBILITY OF THE BUYER.

ACCEPTED WITH COMMENTS
in EPA Letter Dated:

FEB 24 1999

Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 655-802

4 7 4

Prentox® Larva-Lur contains Propoxur
EPA File Symbol 655-INE

Prentox Larva-Lur, a ready-to-use product, is very effective for the control of ants (except California), crickets and the following cockroaches listed below. It gives rapid kill of these insects including those resistant to certain chlorinated hydrocarbon and phosphate insecticides. Crickets and roaches die quickly after feeding on the bait. Apply as needed to control the target pests.

Do not formulate this product into other end use products.

Cockroaches: American, Brown, Brown banded, German, and Oriental roaches

Crickets

Ants (including carpenter ants) (except California)

For use in Homes, Apartment Buildings, Stores, Restaurants (non-food areas), Warehouses, Government Offices, Public Buildings and Institutions.

Apply bait lightly to floors near baseboards, in closets, under sinks and refrigerators, around and inside garbage cans, and in other areas where insects are found but which are inaccessible to children such as cracks and crevices. (Do not make crack and crevice applications in California.) Do not apply to animals. Do not treat portions of buildings where animals can feed on bait. Use approximately 4 ounces of bait per 1,000 sq. ft. of space and scatter lightly so that bait is barely visible. Repeat as necessary. Keep out of reach of children.

For Use By Pest Control Operators in Restaurants (food areas), Poultry Packing, Red Meat Packing and Food Processing Plants, including plants that are Federally Inspected, as well as food processing areas of stores, warehouses, Government Offices, Public Buildings and Institutions.

Apply bait on paper, pasteboard, or other material that will permit removal. Locate these bait stations on window sills, on floors near walls, in storage areas and other areas where insects have been observed. Maintain strict account of location and number of bait stations. Do not apply bait in edible product areas until operations have ceased for the day. Remove all bait stations from the edible products areas before resuming operations. Do not store Prentox Larva-Lur in or around such processing plants.

For Use in Research Facilities: The use of Propoxur in research animal quarters for pest control will not induce changes in liver microsomal enzyme activity in these animals. Prentox Larva-Lur should not be applied directly on animals nor applied where animals can feed on the bait.

For Outdoor Use around patios, driveways, sidewalks, and foundations only. Apply bait evenly in a band 2 to 3 feet wide at the rate of 4 oz. per 1,000 sq. ft. around foundations, patios, driveways, or sidewalks, taking care to treat any cracks or crevices. For maximum effectiveness treat beneath concrete drain splashpans.

RESTRICTIONS

Do not apply to floors or other surfaces likely to be contacted by children or pets.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry place and in such a manner as to prevent cross contamination with other pesticides, fertilizers, food, and feed. Store in original container and out of the reach of children, preferably in a locked storage area.

Handle and open container in a manner as to prevent spillage. If the container is leaking or material spilled for any reason or cause, carefully sweep material into a pile. Refer to Precautionary Statements on label for hazards associated with the handling of this material. Do not walk through spilled material. Material that cannot be used as directed should be disposed of as directed below. In spill or leak incidents, keep unauthorized people away.

Pesticide Disposal: Completely empty container. Then dispose of empty container in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.

For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Telecommunications Network at 1-800-858-7378.
