

STANZOL MILDEW PREVENTATIVE is based on a highly-active TWIN CHAIN quaternary ammonium compound. It prevents musty odors and discolorization on all fabrics due to molds, mildew, and fungi. The mildew inhibition of **STANZOL MILDEW PREVENTATIVE** lasts at least four weeks when used as directed. It is designed for commercial and institutional laundry use by addition to the final rinse or sour step. Fabric may also be preserved against mildew by soaking in a solution of **STANZOL MILDEW PREVENTATIVE**. For recommended solution concentration, see Use Directions.

STANZOL MILDEW PREVENTATIVE is economical to use because it is concentrated. It should be handled with care.

DANGER:

Keep Out of Reach of Children. Corrosive. Causes severe eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid contamination of food.

FIRST AID:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution; or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

STANZOL MILDEW PREVENTATIVE

TWIN CHAIN Quaternary
Ammonium Compound Concentrate

Mildew Inhibitor for Commercial
and Institutional Use

Active Ingredient:

Didecyl Dimethyl Ammonium Chloride — — — 50%

Inert Ingredient — — — — — 50%
100%

EPA Registration No. 670-47

Net Weight — lbs.

Net Volume — gals.

1910 University Ave. :: St. Paul, Minn 55104

DANGER:

KEEP OUT OF REACH OF CHILDREN. SEE LEFT PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

USE DIRECTIONS

For lasting mildew prevention, use **STANZOL MILDEW PREVENTATIVE** as directed.

—For 2-week protection, use 1/2 ounce per 100 pounds of fabric (dry weight)

—For 3-week protection, use 1 3/4 ounces per 100 pounds of fabric (dry weight)

—2 1/4 ounces per 100 pounds of fabric (dry weight) will give long-lasting protection, for 30 days or more, against mildew. Re-treat as necessary.

Dilute the appropriate amount of **STANZOL MILDEW PREVENTATIVE** in one to two gallons of water, then add to the washwheel in the final or sour rinse.

Re-treat fabric after each washing.

Do not reuse empty drum. Return to drum reconditioner or rinse well with soap solution and disc.rd. Do not contaminate water by disposal of waste.

ACCEPTED

JUL 14 1972

UNDER THE FEDERAL INSECTICIDE FUNGICIDE AND RODENTICIDE ACT FOR ECONOMIC POISON REGISTERED UNDER NO. 670-47 SUBJECT TO ATTACHED COMMENTS.
