Warranty and Limitation of Damages

Technical Chloromalonil Fungicide is warranted to be free of defects in material and workmanship under normal use and handling. The warranty is limited to the replacement of the product if it is found to be defective within the warranty period. The warranty is void if the product is used in a manner not intended by the manufacturer or if it is used in conjunction with other products or in a manner that is not recommended by the manufacturer. The warranty is also void if the product is used in a manner that is not recommended by the manufacturer.
