Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

A Fungicide for Repackaging Use Only

Notice

This product is only for repackaging as a fungicide. Repackager is responsible for providing any additional data that may be required to support registration other than the basic label claims for chlorothalonil flowable formulations.

Note: Before repackaging, this container should be slowly inverted several times or otherwise mixed to assure uniformity of product.

Storage and Disposal

Storage — Do not contaminate water, food or feed by storage or disposal. Store in a cool place. Protect from excessive heat. Open dumping is prohibited. Do not contaminate water by cleaning equipment or disposal of wastes.

Disposal — Pesticide, spray mixture or rinsate that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Reseal container and offer for reconditioning, or triple rinse (or equivalent) and offer for recycling, reconditioning, or disposal in approved landfill or bury in a safe place. Consult Federal, State or Local disposal authorities for approved alternative procedures such as limited open burning.

For Repackaging as a Fungicide Only

Notice of Warranty

Warranty and Limitation of Damages:

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use, and **Buyer** assumes the risk of any use contrary to such directions. **Seller** makes no other express or implied warranty, including any other express or implied warranty of **Fitness** or of **Merchantability**, and no agent of **Seller** is authorized to do so except in writing with a specific reference to this warranty. In no event shall **Seller's** liability for any breach of warranty exceed the purchase price of this material as to which a claim is made.
