Statement of Practical Treatment

If swallowed — Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

If inhaled — Remove victim to fresh air. Apply respiration if necessary.

If on skin — Remove contaminated clothing and wash affected areas with soap and water.

If in eyes — Flush eyes for at least 15 minutes with water. Call a physician if irritation persists.

Precautionary Statements

Hazards to Humans

Caution

Harmful if swallowed. Avoid breathing dust. Do not get in eyes, on skin or on clothing. Wash thoroughly with soap and water after handling and before eating or smoking.

Environmental Hazards

This product is toxic to fish. Do not discharge into lakes, streams, ponds or public waters unless in accordance with NPDES permit. For guidance contact your regional office of the Environmental Protection Agency.
