

CAPTAN 300

DIRECTIONS FOR USE

CAPTAN 300 is especially formulated for treatment of seeds for the control of seed and soilborne diseases, including damping-off and seed decay organisms, and seedling blights.

Mix thoroughly before use or use entire container at one time. Do not combine colloidal suspensions, wettable powder or emulsifiable concentrates unless previous experience assures compatibility. Store in a cool place. Do not store in direct sunlight. Protect from freezing temperatures.

This product is to be used in liquid or slurry treaters similar to Panomatic, Mis-O-Matic or Calkins.

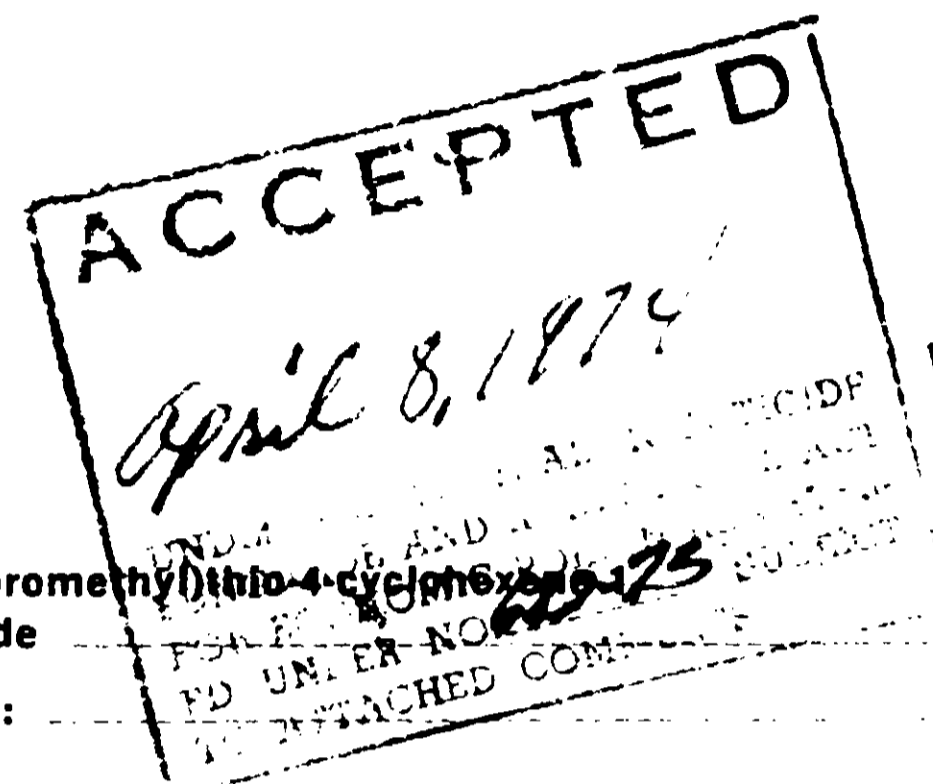

The Federal Food and Drug Administration has set official tolerances for certain pesticide residues. In order that residues on food and forage crops will not exceed established tolerances, use only at recommended rates.

SEED — Application rates per 100 lbs. of seed of diluted product

Dilute 1 gallon with 5 gallons of water

CORN — <u>Field</u>	270 cc
<u>Sweet</u>	570 cc
WHEAT*	270 cc
OATS*	420 cc
BARLEY*	320 cc
FLAX	530 cc
PEAS	370 cc
CUCUMBER, CANTALOUPE, TOMATO	420 cc
SQUASH, PUMPKIN, WATERMELON and MUSKMELON	280 cc
COTTON — Acid Delinted	420 cc
Reginned	630 cc
CABBAGE, CAULIFLOWER, BROCCOLI, BRUSSELS SPROUTS, COLLARDS, KALE, MUSTARD, TURNIP	210 cc
PEPPERS (California Wonder)	420 cc
COWPEAS	420 cc
RICE	480 cc
RYE*	370 cc

*For Seed and Seedling Rots, not for Bunt Smut.

Dilute 1 gallon with 3 gallons of water.

BEANS**	250 cc
SOYBEANS	240 cc
SORGHUM — hulled (Kernel Smut)	420 cc
SUGAR BEETS — West	570 cc
SPINACH	570 cc

**Do not use on Lima Beans.

Dilute 1 gallon with 2 gallons of water.

CLOVER, ALFALFA, LESPEDEZA, TREFOIL	580 cc
BEETS, SWISS CHARD, SUGAR BEETS — East	850 cc
BLUE GRASS, GRASSES	580 cc

This product is manufactured, labeled and sold in accordance with state and federal laws. Adequate directions for use, necessary warnings and cautions and other essential information are provided on this label. However, the use and handling of this product is to be attended with risk of personal injury or property damage if the user or handler departs in any degree from the instructions on the label. The manufacturer makes no representation or warranty as to the effectiveness or safety of this product except to the extent that the product is used and handled in strict accordance with the directions on the label. The user assumes full responsibility for the safe use of this product. The manufacturer's liability is limited to the extent that the product is used and handled in strict accordance with the directions on the label. The user assumes full responsibility for the safe use of this product. Unless the intended purchaser agrees to be bound by the terms of this agreement, the manufacturer will not consummate the sale of this product to him and the product must be returned to the manufacturer.
