**DIRECTIONS**

Remove the cap. Hold can upright. Point valve opening away from face. Press button to release spray.

Roaches, Waterbugs, Silverfish, Crickets, Carpet Beetles: Spray infested cracks and hiding places thoroughly. Direct spray into moist places, and around sinks, bath tubs, drains, laundry tubs, pipes through walls and floors. Spray behind cabinets, stove, refrigerator and counters. Will not stain woodwork. To control carpet beetle—spray the underside of carpets.

Ants: Thoroughly spray ant trails and areas around door frames and window sills. It is frequently desirable to treat the openings around water pipes, heat ducts, electrical outlets and baseboards where ants may come out into rooms from wall spaces and partitions.

Spiders and Scorpions: Spray wherever these insects may enter the home such as around door frames and window sills. In garages, wood houses, cabins, outhouses, spray until wet where these insects crawl.

Flies, Mosquitoes, Gnats, Wasps, June Bugs, Flying Moths: As an aid to reduce the annoyance from these insects in entering the home. Spray the outside surfaces of screens, doors and window frames and other places such as open porch fixtures where these insects gather. For outside treatment only.

REPEAT TREATMENT AS NECESSARY FOR EFFECTIVE CONTROL. SPRAY INFESTED SURFACES UNTIL WET.

When used as directed

**GUARANTEED  
BUG KILLER**  
NET WT. 12½ AV. OZ. (15 FL. OZ.)

**CAUTION: KEEP OUT OF THE REACH OF CHILDREN**  
Read cautionary information on back of can

**LONG LASTING · ECONOMICAL**

**ACTIVE INGREDIENTS:**

Pyrethrins ..... .050%  
Technical Piperonyl  
Butoxide\* ..... .100%  
N-Octyl Bicycloheptene  
Dicarboximide ..... .166%  
O,O-Diethyl O-(2-Isopropyl-6-  
Methyl-4-Pyrimidinyl  
Phosphorothioate .... .500%  
Petroleum Distillate ....95.584%

**INERT INGREDIENTS:...** 3.600%

\*Equivalent to .080% (Butylcarbityl) (6-Propylpiperonyl) Ether and .020% of related compounds.

Contents under pressure. Harmful if swallowed. Avoid breathing spray mist. Avoid prolonged and repeated contact with skin; wash thoroughly after using. Use as spot treatment only in the home. Do not use as a space spray. Avoid contamination of food and feed products.
