

Quickly and easily sanitizes and deodorizes bowling shoes. Spray the inner surfaces of shoes thoroughly or until moist.

Harmless to socks and shoes. The spray quickly evaporates, leaving no visible residue in the shoe.

DIRECTIONS

TO SANITIZE—Hold can upright 6" to 8" (15 to 20 cm) from surface to be treated. Spray 3-4 seconds until surface is wet.

TO CONTROL MILDEW—Clean surface thoroughly then cover surface with mist. Repeat treatment every week for effective control.

Flammable —Contents under pressure. Keep spray away from eyes and avoid breathing of spray vapors. Do not spray on food. Use with adequate ventilation. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

Do not spray on polished wood surfaces, rayon fabrics or on acrylic plastics.
