Downers Grove, IL 60515

Subject: Notification per PRN 98-10 – Removed disposal phone number, added address, and added logo/graphic image.
Product Name: Plaze Picaridin Lotion Repellant
EPA Registration Number: 706-113
Application Date: 3/25/24
Case Number: 559384

Dear Lauren Cutlip:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 for the above referenced product. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action requested falls within the scope of PRN 98-10.

The label submitted with the application has been stamped “NOTIFICATION” and placed in our records.

Should you wish to add/retain a reference to the company’s website on your label, then please be aware that the website becomes labeling under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) lists examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product’s label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA’s Office of Enforcement and Compliance.

If you have any questions, please contact Eric Ingram at 202-566-0061 or at ingram.eric@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Elizabeth Fertich". The signature is fluid and cursive, with the first name "Elizabeth" and last name "Fertich" clearly distinguishable.

STOP – Read This Entire Label Before Use

For best results, read and follow all label directions.

NOTIFICATION

706-113

The applicant has certified that no changes, other than those reported to the Agency have been made to the labeling. The Agency acknowledges this notification by letter dated:

05/08/2024

PRECAUTIONARY STATEMENTS

WARNING. HAZARDS TO HUMANS.

Causes substantial but temporary eye injury. Do not get in eyes. Wash thoroughly with soap and water after handling, returning indoors, and before eating, drinking, chewing gum, using tobacco or using the toilet. Discontinue use and consult a doctor if irritation or rash occurs.

PHYSICAL HAZARDS

Flammable. Do not use or store near heat sources, sparks or open flame. Do not smoke while applying.

The information below describes the first aid procedures for incidents involving Plaze Picaridin Lotion Repellant:

FIRST AID

IF IN EYES:

- Hold eye open and rinse gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first five minutes, then continue rinsing.
- Call a poison control center or doctor for treatment advice.

IF SWALLOWED:

- Call a physician or poison control center immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a Poison Control Center or a doctor.
- Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-866-836-8855 for emergency medical information.

Emergency Response Telephone Number is 866-836-8855

{Note: The grid format for the First Aid statements will be used if market label space permits; otherwise a paragraph format will be used.}

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Follow these guidelines when applying Plaze Picaridin Lotion Repellant:

- Apply evenly to skin in a thin layer
- Do not exceed two applications per day.
- Excessive amounts or more frequent reapplication should be unnecessary.
- Do not apply to the hands of small children
- Avoid contact with lips, cuts, wounds, or irritated skin.
- Do not apply to excessively sunburned skin.
- Do not apply under clothing.
- Apply sparingly around ears.
- When using on children, apply to your hands and then apply it to the child. Do not apply to their hands. To apply to a child's face and neck, apply the product into your hands and apply to the child. Take care to avoid mouth and eyes and apply sparingly around ears. Do not allow children to handle the product.
- Apply on face by first spreading small amounts in palms of hands and spreading on face and neck, avoiding your eyes

STORAGE AND DISPOSAL

- **STORAGE:** Store in a cool, dry place out of the reach of children. Keep away from heat, sparks and open flame.
- **Pesticide Disposal and Container Handling:** Non-refillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency ~~or 1-800-526-9377~~ for disposal instructions. Never place unused product down any indoor or outdoor drain.
