KELTHANE(R) EC
Agricultural Miticide Emulsifiable Liquid
EPA Reg. No. 707-59

Keep Out of Reach of Children

WARNING AVISO

Precaucion Al Usuario: Si usted no lee, no use este producto hasta que le etiqueta haya sido explicado ampliamente.

Before using this product, read the entire Precautionary Statements, Conditions of Sale and Warranty, Directions for Use, Use Restrictions and Storage and Disposal instructions on side and back panels and attached use directions. If the Conditions of Sale and Warranty are not acceptable, return the product unopened within thirty days of purchase to the place of purchase.

Active Ingredients

1,1-Bis(chlorophenyl)-2, 2, 2-trichloroethanol	18.5%*
Xylene Range Aromatic Solvent.	73.0%
Inert Ingredients.	8.5%
Total	100.0%

*Equivalent to 1.6 lb. active per gallon.

Precautionary Statements

Hazards to Humans and Domestic Animals

WARNING

Can cause eye injury and skin irritation. Harmful if swallowed, absorbed through the skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing vapors or spray mist. Wear goggles or face shield when handling. Wash thoroughly with soap and water after handling and before eating or smoking. Remove contaminated clothing and wash before reuse.

Statements of Practical Treatment

If Swallowed: Drink one to two glasses of water. Call a physician and have the stomach emptied immediately. Do not induce vomiting or give anything by mouth to an unconscious person. Note to Physician: Because this product contains a chlorinated hydrocarbon insecticide, vomiting is recommended. Probable mucosal damage may contraindicate the use of gastric lavage. Adrenergic amines may cause myocardial irritability in the presence of chlorinated hydrocarbons and convulsions may be a prominent symptom of poisoning. This product contains xylene (petroleum distillate).

If Inhaled: Remove victim to fresh air. Treat the victim symptomatically. Call a physician if problem continues.

If on Skin: Wash exposed areas with plenty of soap and water. If irritation persists, call a physician.

If in Eyes: Flush eyes with plenty of water for at least 15 minutes. Call a physician.

Environmental Hazard

This product is toxic to fish. Do not apply directly to lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment or disposal of waste. Do not apply when weather conditions or drift from areas treated. Apply this product only as specified on this label.

Physical and Chemical Hazards

Flammable

Do not use, pour, spill or store near heat or open flame. Do not use in the vicinity of pilot lights.

CONDITIONS OF SALE AND WARRANTY

Rohm and Haas warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in accordance with label directions under normal conditions of use. ROHM AND HAAS MAKES NO OTHER EXPRESS OR IMPLIED WARRANTIES EITHER OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE. Handling, storage and use of the product by Buyer or User are beyond the control of Rohm and Haas and Seller. Risks such as crop injury, ineffectiveness or other unintended consequences resulting from, but not limited to, weather or soil conditions, presence of other materials, disease, pests, drift to other crops or property or failure to follow label directions will be assumed by the Buyer or User. IN NO CASE WILL ROHM AND HAAS OR SELLER BE HELD LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE HANDLING, STORAGE OR USE OF THIS PRODUCT.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

See attached pamphlet on side panel for complete use directions.

Re-entry and Worker Protection Statements

Do not enter treated areas without protective clothing until sprays have dried. Because certain states may require more restrictive re-entry intervals for various crops treated with this product, consult your State Department of Agricultural for further information. Do not apply this product in such a manner as to directly or through drift expose workers or other persons.

Written or oral warnings must be given to workers who are expected to be in a treated area or in an area about to be treated with this product. Oral warnings must be given if there is reason to believe that written warnings cannot be understood by workers. When oral warnings are given, warnings shall be given in a language customarily understood by workers. Written warnings must include the following information:

WARNING

(Insert area or field description) treated with KELTHANE EC miticide on (insert date of application). Do not enter treated areas without protective clothing until sprays have dried. In case of accidental exposure: Call a doctor (physician), clinic or hospital immediately. Explain that the victim has been exposed to KELTHANE EC and describe his condition. For further information see the "Statement of Practical Treatment."

Oral warnings must include the same information that is in the written warnings.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Keep from freezing. Store 32°F - 110°F.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Puncture and dispose of in a sanitary landfill or incinerate or if allowed by state and local authorities by burning. If burned, stay out of smoke.

Steps to be Taken in Case Material is Released or Spilled

Eliminate ignition source. Ventilate area. Avoid breathing vapors. Use MSHA/NIOSH self contained breathing apparatus or air mask for large spills in confined areas. Dike the spill with inert material (sand, earth, etc.) and transfer the liquid or solid dike material to separate containers for recovery or disposal. Remove contaminated clothing promptly and wash exposed skin areas with soap and water. Wash clothing before reuse. Keep spill out of all sewers and open bodies of water. IMPORTANT: Containers still hazardous when empty. Do not cut with torch. Refer to Precautionary Statements.
