Dr. P. J. McMulty
Rohm & Haas Company
Independence Mall West
Philadelphia, PA 19105

Dear Dr. McMulty:

Subject: Rabbit Teratology Study and
Additional Precautionary Statements
Karathane Technical
EPA Registration No. 707-95
Application Dated November 7, 1984

We have not completed our full review of the submitted teratology studies, however, we have decided in the interim to accept the pre-cautionary language changes proposed for this product. When our reviews have been completed you will be notified of our results as well as any additional precautionary changes we may require.

Accession number 251713 has been assigned to the interim results of rabbit teratology studies involving dinocap.b

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Jay S. Ellenberger
Product Manager (12)
Insecticide-Rodenticide Branch
Registration Division (TS-767)
