PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid skin and eye contact. Wash thoroughly after handling. Remove contaminated clothing promptly and wash before re-use. Avoid breathing vapors.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Drink 1 to 2 glasses of water. Call a physician and have the stomach emptied immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

NOTE TO PHYSICIAN: Because this product contains a chlorinated hydrocarbon insecticide, vomiting is recommended. Probable mucosal damage may contraindicate the use of gastric lavage. Adrenergic amines may cause myocardial irritability in the presence of chlorinated hydrocarbons and convulsions may be a prominent symptom of poisoning. This product contains xylene (netroleum distillate).

IF ON THE SKIN: Wash affected skin areas with plenty of soap and water. Call a physician if irritation persists.

IF IN EYES: Flush eyes with plenty of water for at least 15 minutes. Call a physician.

IF INHALED: Remove victim to fresh air. Treat the victim symptomatically. Call a physician if problem continues.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water or wetlands. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE

Do not use or store near heat or open flame

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

NOTE: It is the responsibility of the reformulator to supply data to EPA to support all claims listed on the reformulator's label covering all directions for use. Reformulators should consult Rohm and Haas Company for formulation information and for technical bulletins.

STORAGE AND DISPOSAL

STORAGE: Indoor storage of flammable material should be limited to approved appropriate automatic systems. Grounders when transferring.

PESTICIDE DISPOSAL: Do not contaminate or lead by storage or disposal. Pesticide waste or improper disposal of excess pesticide, spray rinse is a violation of Federal Law. It cannot be disposed of by use according to laws, contact your State Pesticide or Environmental Agency or the Hazardous Waste representative nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning and dispose of in a sanitary landfill, or in a container approved by state and local authorities.

STEPS TO BE TAKEN IF MATERIAL IS SPILLED:

Eliminate ignition sources. Use self-contained breathing apparatus or other protective equipment in confined areas. Ventilate area. Dig inert material (sand, earth, etc.) and transport to a safe disposal site. Remove contaminated clothing and wash before re-use. Keep spill out of all bodies of water.

CONDITIONS OF SALE AND WARRANTY

Rohm and Haas warrants that the product is as described in the chemical description and is reasonably fit for the uses stated on the label only when used in a manner consistent with the label directions under normal conditions. **AND HAAS MAKES NO OTHER EXPRESS WARRANTIES EITHER OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE.** Handling of the product by Buyer or User is subject to the control of Rohm and Haas and Seller. No liability for injury, ineffectiveness or other unintended consequences resulting from, but not limited to, the use of this product, conditions, presence of other materials, drift to other crops or property or failure to follow directions will be assumed by the Buyer. **CASE WILL ROHM AND HAAS OR SELLER BE LIABLE FOR CONSEQUENTIAL DAMAGES RESULTING FROM THE STORAGE OR USE OF THIS PRODUCT.**
