KATHON 886 F

For Use By Manufacturers Only in Formulating Industrial Microbicides For Use In Conveyor Lubricants, Hydraulic Fluids, Fuels, Metalworking Fluids, Disnersed Pigments, Metal Cleaning Fluids. Polymer Latex, Adhesives, Tackifiers, Paints and Coatings, Commercial Photoprocessing Systems, Photographic Emulsions, Printing Fluid, Recirculating Electrodeposition Systems, Oil Fields Injection Waters, Building Materials, Recirculating Water Cooling Towers, Air Washer Systems, Recirculating Closed Loop Water Cooling Systems, Brewery Pasteurizer and Can Warmer Systems, Wood and Wood Products, Papermills, and In-Container Preservation.

KEEP OUT OF REACH OF CHILDREN

DANGER

FIRST AID

•Rinse skin immediately with plenty of water for 15-20 min.

«Call a poison control center or doctor for treatment advice.

•Call a poison control center or doctor immediately for advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

+Hold eye open and rinse slowly and gently with water for 15-20 min.

•Remove contact lenses, if present, after first 5 min, then continue runsing eve,

•Do not induce vomiting unless told to do so by a poison control center or doctor.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicatie the use of gastric lavage. Measures against circulatory

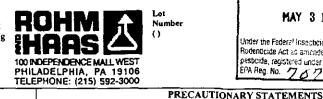

SEE SIDE PANELS FOR ADDITIONAL PRECAUTIONARY STATEMENTS.

oif person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-

.Have person sip a glass of water if able to swallow, Do not give anything by mouth to an unconscious

•Call a poison control center or doctor for advice.

Cail a poison control center or doctor for advice.

Rodenticide Act as amended, for the

pesocide, registered under

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Do not get in eves, on skin, or on clothing. Mixers, loaders and others exposed to this product must wear: long-

sleeved shirt and long pants; chemical resistant gloves such as nitrile or butyl rubber; shoes plus socks; goggles and

face shield, and chemical resistant apron. Discard clothing or other absorbent materials that have been dreached or

cleaning/maintaining PPE. If no such instructions for washables exists, use detergent and hot water. Keep and wash

PPE separately from other laundry. Users should wash hands before eating drinking, chewing gum, using tobacco or

clean clothing. Users should remove PPE immediately after handling this product. Wash the outside of gloves before

removing. As soon as possible, wash thoroughly. This product may cause skin sensitization reactions in some

This chemical is toxic to aquatic plants, fish and aquatic invertebrates. Do not discharge effluent containing this

product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a

National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in

notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office

writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously

of the EPA. Do not contaminate water by cleaning of equipment or disposal of waste. Apply this pesticide only as

heavily contaminated with this product's concentrate. Do not reuse them. Follow manufacturer's instructions for

STORAGE AND DISPOSAL

Avg. Gross:

Net: Avg. Tare:

PESTICIDE STORAGE

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Do not apply this product in a way that will contact workers or other persons

PHYSICAL AND CHEMICAL HAZARDS

This product is correspondent in correspondent to product as supplied evolves gas (largely carbon dioxide) slowly. To prevent buildup of pressure the product is packaged in specially vented containers. Keep this product in the original container when not in use. Container must be stored and transported in an upright position to prevent spilling the contents through the vent.

PESTICIDE DISPOSAL

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL

METAL CONTAINERS

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

PLASTIC CONTAINERS using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning, if burned, stay out of smoke. GENERAL: CONSULT FEDERAL, STATE OR LOCAL DISPOSAL AUTHORITIES FOR APPROVED ALTERNATIVE PROCEDURES.

CONDITIONS OF SALE AND WARRANTY

Rolem and Hans warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label only when used in relates with label directions and as defined under the Directions for Use on this inter. ROHM AND HAAS MAKES NO OTHER EXPRESS OR INOTLIED WARRANTIES, EITHER OF MERCHANTABILITY OR FITNESS, FOR A PARTICULAR USE. Handling, storage, and use of the product b NOR SELLER SHALL BE LABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE HANDLING. STORAGE, OR USE OF THIS PRODUCT.
