DIRECTIONS FOR USE

GENERAL CLASSIFICATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. If plastic do not reuse empty container.

DISPOSAL: Pesticide or waste that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies. Triple-rinse (or equivalent) all containers and, for metal containers, offer for recycling or reconditioning. For plastic containers, dispose in an incinerator or dispose in landfill approved for pesticide containers or bury in a safe place. Consult federal, state or local disposal authorities for approved alternative procedures.

FORMULATION

Kathon 893T is sold only for use in the formulation of industrial microbicide. Information on chemical and physical properties is included in the Material Safety Data Sheet for Kathon 893T.

NOTE: Formulators are responsible for providing support materials to the end user.

NOTICE: The warranty on this product conforms to its chemical and physical properties for the purpose stated on the label when used in accordance with the label. Under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose is implied or extended to the user. The user must read the product label and other materials provided by the manufacturer or distributor. The user must read the safety data sheet and other materials provided by the manufacturer or distributor.

DIRECTIONS FOR USE

GENERAL CLASSIFICATION

It is a violation of Federal Law to use this product in a manner inconsistent with the labeling.

STORAGE AND DISPOSAL

STORAGE: Do not contaminate water, food, or feed by storage or disposal. Open dumping is prohibited. If plastic, do not reuse empty container.

DISPOSAL: Pesticide or insecticide that cannot be used or chemically reprocessed should be disposed of in a way approved for pesticides or buried in a safe place away from water supplies. Triple rinse (or equivalent) all containers and, for metal containers, offer for recycling or reconditioning. For plastic containers, dispose in an incinerator or dispose in landfill approved for pesticide containers or bury in a safe place. Consult Federal, State, or local disposal authorities for approved alternative procedures.

FORMULATION

Kathin 89-47 is a liquid formulation of the insecticide, industrial strength, containing information on chemical and physical properties. Included in the Material Safety Data Sheet for Kathin 89-47.

NOTE: Formulation available for sale only to registered dealers.

NOTICE: This is a warning label for a pesticide. Chemicals are not to be used in a manner inconsistent with the label. The label is the only source of information on the safe use of this product. The label is the only source of information on the safe use of this product. The label is the only source of information on the safe use of this product.
