This pesticide is toxic to fish. Keep out of lakes, ponds or streams when weather conditions favor drift from areas treated. Prevent contamination of water by cleaning of equipment or disposal of wastes.

Keep away from fires and sparks. Store in a cool place, but not allow to become overheated in storage. This may bring on mold which will impair the fungicidal effectiveness of DITHANI. Keep container closed when not in use.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and dispose of or landfill approved for pesticide containers, or bury it.
