#### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

##### CAUTION

May cause irritation of nose, throat, eyes and skin. Avoid contact with skin, eyes or clothing. Avoid breathing spray mist. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Wash thoroughly after using and before eating or smoking. Remove and wash contaminated clothing before reuse.

##### ENVIRONMENTAL HAZARD

This pesticide is toxic to fish. Keep out of lakes, ponds or streams. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

#### STORAGE AND DISPOSAL

**PROHIBITIONS AND RECOMMENDATIONS.** Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container.

Keep away from fires and sparks. Store in a cool place, but not below 32°F. Do not allow to become overheated in storage. This may bring on chemical changes which will impair the fungicidal effectiveness of DITHANE M-45 FLOWABLE M. Keep container closed when not in use.

**PESTICIDE DISPOSAL.** Pesticide, spray mixture or residue that cannot be used or chemically reprocessed should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) and dispose in an incinerator or landfill approved for pesticide containers, or bury in a safe place.

**GENERAL:** Consult Federal, State or local disposal authorities for approved alternative procedures such as limited open burning.

**NOTICE:** While Rohm and Haas warrants that the product is suitable for chemical disinfection and is reasonably safe for the purpose stated, it does not warrant when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use, storage or handling of this product in a manner other than as directed by label. This product, under abnormal conditions or under conditions not reasonably foreseeable to seller and buyer, assumes other risks of use. These risks include, but are not limited to, damage to plants, crops and animals, which the material is applied, failure to control pests, damage caused by drift to other plants, animals, and the environment.
