	TERM OF ISSUANCE	
	NAME OF PESTICIDE PRODUCT	

NOTICE OF PESTICIDE: REGISTRATION
 REREGISTRATION
 (Under the Federal Insecticide, Fungicide,
 and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

BEST AVAILABLE COPY

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

with the provisions of Section 3(c)(5) of the Federal Insecticide, Fungicide, and Rodenticide Act, the registrant and the Agency have agreed that:

1. You will submit or cite a study or studies, as required in accordance with the test methods set forth below no later than the time which is specified in the registration of your product, reference number: 207, 4285642905, October 24, 1988.
 - a. Oncogenicity Study (Guidelines Reference: ...)
 - b. Mutagenicity Study (Guidelines Reference: ...)
 - c. Field Dissipation Study (Guidelines Reference: ...)
2. You will submit and/or cite a study required for registration/ reregistration of your product under sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL <i>L. J. ...</i>	DATE FEB - 2 1989
---	-----------------------------

and provided that you:

3. Submit production information (pounds or gallons produced) for this product for the fiscal year in which the product is conditionally registered, in accordance with FIFRA sec. 29. The fiscal year begins October 1 and ends September 30. The production information will be submitted to the Agency no later than November 15, following the end of the preceding fiscal year.

This information should be submitted to:

Process Coordination Branch
Registration Division (TS-767)
Environmental Protection Agency
Washington, D.C. 20460

BEST AVAILABLE COPY

4. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- a. Add the phrase, "EPA Registration No. 707-271".
 - b. Add the heading "Directions for Use," followed by the statement "It is a violation of Federal Law to use this product in a manner inconsistent with its labeling."
 - c. The following statement must appear on your label "For Formulations and Manufacture of Fungicides Only."
 - d. Change the Environmental Hazards statements to read: "Do not discharge effluent, containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA."
5. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely,

Lois A. Rossi
Product Manager (21)
