Mr. K. L. Reddick
Atlas Manufacturing Company
2321 Beatrice Street
P.O. Box 22498
Dallas, TX 75264

Dear Mr. Reddick:

Subject: NOX-AL Residual Roach & Insect Spray
EPA Registration No. 713-4
Your Amendment Submission Dated March 20, 1985

The amendment referred to above, submitted in connection with registration under FIFRA, is acceptable, provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:
 - a. Add the following subheading and precautionary statements to the top of side or back panel preceding Directions For Use:

PRECAUTIONARY STATEMENT

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. May be absorbed through skin. Avoid breathing of spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after handling and before smoking or eating. Do not allow spray to contact food, feedstuffs or water supplies. Thoroughly wash dishes and food handling utensils if contaminated by this spray. Do not use on household pets or humans.

- b. Delete "Warning: Flammable" from the flammability statement and add the subheading PHYSICAL OR CHEMICAL HAZARD above or beside the flammability statement.

RD/IRB:JOB:40814:Heyward:RD-70:KENCO:9/26/85:Del:10/04/85:DKD

CONCURRENCES

SYMBOL	53-767						
SURNAME	<i>[Signature]</i>						
DATE	9.30.85						

- c. Delete the child warning signal word from the side panel.
- d. Refer to PR Notice 83-3 for the appropriate Storage and Disposal statement.

Refer to the enclosed suggested label format for your information.

2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

A stamped copy of the labeling is enclosed for your records.

Sincerely yours,

George T. LaRocca
Product Manager (15)
Insecticide-Rodenticide Branch
Registration Division (TS-767)

Enclosures

P.S. The statement of Practical Treatment
must be added to the label, immediately
below the ingredient statement

DIRECTIONS FOR USE

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS Spray heavily in all cracks, crevices and around baseboards. Spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, etc. Repeat treatment as required.

CARPET BEETLES Spray liberally infested areas of carpets and rug padding. Pay particular attention to seams, cracks, crevices, and other hiding places. Repeat as often as necessary.

FLIES, MOSQUITOES, WASP AND SMALL FLYING MOTHS OUTDOORS For outdoor use only at all and in reducing annoyance from these insects. Spray to apply with hand brush outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects might congregate.

FLIES, CRICKETS, ANTS, TICKS For treatment of infested infestations of these insects in encroaching outdoor areas, spray infested area liberally for ants, thoroughly wet wire and runways. Repeat application as necessary.

NETAL RESIDUAL ROACH & INSECT SPRAY when applied to surfaces over which insects may pass, remains effective for weeks if not removed by cleaning, wear or weather.

FOOD HANDLING ESTABLISHMENTS Places other than private residences in which exposed food is held, processed, prepared or served.

FOOD AREAS - APPLICATION LIMITED TO CRACK AND CREVICE TREATMENT ONLY

Includes areas for receiving, storage, packing (canning, bottling, wrapping, holding), preparing, eating, waste storage and enclosed processing systems (mills, dairies, etc.) via, storage, serving areas where food is exposed and facility is in operation also would be considered a food area.

Apply in small amounts directly into cracks and crevices using equipment capable of delivering a pin stream of insecticide in joints between different elements of construction, between equipment and floors, openings leading to voids and hollow spaces in walls, equipment legs and bases, produce, motor housings, junction or switch boxes, or to application deenergize electrical equipment. After application, allow time for dust to evaporate before starting motors or plugging switches in or on "ON" position. Where insects are silverfish, waterbugs, spiders and crickets, may note. Care should be taken to avoid depositing the product into any used for eating or introducing the material into the air. Avoid contamination of food or food processing surfaces.

APPLICATIONS OF THIS PRODUCT IN THE FOOD AREAS OF FOOD HANDLING ESTABLISHMENTS OTHER THAN AS A CRACK AND CREVICE TREATMENT ARE NOT PERMITTED.

SERVING AREAS - Facilities where prepared foods are served such as dining rooms, but excluding areas where foods may be prepared or held.

Apply as a spot treatment to selective surfaces such as baseboards, under elements of construction into cracks and crevices. Avoid treating surfaces likely to be contacted by food. (Do not apply when facility is in operation or foods are exposed.)

CONTAINER DISPOSAL For 1 gallon and 5 gallon cans: Do not reuse empty can. Destroy by perforating or crushing. Bury or discard in safe place away from water supplies. For 30 gallon and 55 gallon drums: Do not reuse empty drum. Return to drum reconditioner or destroy by perforating or crushing and burying in a safe place away from water supplies.

CAUTION: KEEP OUT OF REACH OF CHILDREN.

Harmful if swallowed, avoid contamination of food and foodstuffs. Avoid inhalation or skin contact. In case of skin contact, wash with plenty of soap and water. Do not use on pets or humans. Wash thoroughly after handling.

WARNING: Flammable! Keep away from heat or open flame.

Do not allow children in treated areas until surfaces are dry.

Registered: Texas Department of Agriculture

STORAGE AND DISPOSAL

Store only in tightly closed original container in a secure area inaccessible to children. Do not contaminate water, food, or feed by storage or disposal.

Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

DO NOT REUSE EMPTY CONTAINER.

Triple rinse empty container with water. Return metal drums to reconditioner or distributor and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Plastic containers may be disposed of in a sanitary landfill (incinerated or, if allowed by local authorities, by burning). If burned, stay out of smoke.
