WARNING!

Statement of Practical Treatment
 IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.
 IF IN EYES: Immediately flush eyes with plenty of water for at least 15 minutes and get medical attention.
 IF ON SKIN: Immediately remove contaminated clothing, INCLUDING SHOES, and wash skin with soap and plenty of water. If irritation develops, send for a physician.
 ANTIDOTE: Drink 1 or 2 glasses of warm water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Then give milk or beaten egg white with water. Call a physician.
 See Side Panel For Additional Precautionary Statements.

PRECAUTIONARY STATEMENTS

Hazards to humans and domestic animals.

WARNING: MAY BE FATAL IF SWALLOWED. Do not breathe dust. Do not get in eyes, on skin, or on clothing. Wash thoroughly after handling. Wash contaminated clothing before reuse. Keep away from food, feed-stuffs and domestic water supplies. Do not use in edible product areas of food handling establishments, restaurants or other places where food is commercially prepared or processed.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

APPLICATION DIRECTIONS:

Squirt dust into cracks, crevices, behind cabinets, refrigerator, sinks, stove, cracks in baseboard. Dust only in areas not accessible to children and pets. Any powder visible after application is completed should be carefully brushed into cracks and crevices, or else removed. Repeat as necessary. Cover or remove exposed food and utensils before using. If powder contacts utensils, wash before using.

APPLICATION SITES:

Homes, apartments, warehouses, commercial and industrial buildings. Do not use in edible product areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage, disposal or cleaning of equipment.

PESTICIDE DISPOSAL:

Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved state procedures under Subtitle C of the Resource Conservation and Recovery Act.

CONTAINER DISPOSAL:

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.

WARRANTY - CONDITION OF SALE:

DIRECTIONS FOR USE of the product are based on field use and tests believed reliable and should be followed carefully. It is however impossible to eliminate all risks associated with use of this product. Because such factors as weather conditions, foreign material and manner of use for application are all beyond the control of Drexel Chemical Company or the Seller of this product, such things as crop injury, ineffectiveness or other unintended consequences may result.

ALL SUCH RISKS ARE ASSUMED BY THE BUYER.

Drexel warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use. Drexel makes no other warranties, express or implied, including FITNESS OR MERCHANTABILITY. In no case shall Drexel or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The foregoing is a condition of sale by Drexel Chemical Company and is accepted as such by the Buyer.
