

DIRECTIONS FOR USE

Place Pearson's Waterbug & Roach Killer behind cabinets, stove, refrigerator and in other areas inaccessible to children, irresponsible persons and household pets. Use 2 to 3 tablespoonfuls of this product for each infested room. Control is usually gained in 3 days to 4 weeks depending on conditions and infestation. Repeat treatment as necessary to maintain control.

WARNING: Keep out of reach of children, irresponsible persons and household pets. This product is hazardous if swallowed or absorbed through skin. Do not get on skin, in eyes or on clothing. Wash with soap and water after handling and before eating or smoking. Do not contaminate feed or foodstuffs.

Baits should be placed in areas not accessible to children, pets, wildlife and domestic animals or in tamper-proof bait boxes.
