

# ROSE DUST

(may also be used as a rose spray)

INSECTICIDE - FUNGICIDE

**ACTIVE INGREDIENTS:**

Sulphur (98% through 325 mesh) . . . . .	20.0%
Copper, as metallic (derived from basic copper sulfate). . .	3.7%
*Zineb (zinc ethylene bisdithiocarbamate). . . . .	3.5%
Carbaryl (1-Naphthyl N-Methylcarbamate) . . . . .	5.0%
Lindane (gamma isomer of benzene hexachloride) . . . . .	1.0%

INERT INGREDIENTS . . . . .	66.8%
TOTAL	100.0%

\*(metallic zinc equivalent .829%)

**KEEP OUT OF THE REACH OF CHILDREN  
CAUTION**

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED** - Call a physician or Poison Control Center immediately. Gastric lavage is indicated if material was taken internally. **DO NOT INDUCE VOMITING:** vomiting may cause aspiration pneumonia.

**IF INHALED** - Remove victim to fresh air. Apply artificial respiration if indicated.

**IF ON SKIN** - Remove contaminated clothing and wash affected areas with soap and water.

**IF IN EYES** - Flush eyes with plenty of water. Get medical attention if irritation persists.

Net Contents:

#### PRECAUTIONARY STATEMENT

Hazards to Humans and Animals. Wash thoroughly after handling and before eating and smoking.

CAUTION: Harmful if swallowed. Avoid breathing dust or spray mist. May be absorbed through skin. Avoid contact. Keep away from all contact with food or feed.

#### ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds, and other wildlife. Birds and other wildlife feeding in treated areas may be killed. Do not apply directly to water. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

This pesticide is highly toxic to bees exposed to direct treatment or to residues remaining on the treated area. Do not apply when bees are actively visiting the crop, cover crop, or weeds blooming in the treatment area. Applications should be timed to provide the maximum possible interval between treatment and the next period of bee activity.

#### PHYSICAL OR CHEMICAL HAZARD:

Do not use, pour, spill or store near heat or open flame.

#### DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### FOR USE AS A DUST:

For best results, dust in early morning or late evening when the temperature is low and the air is still. Apply dust so all exposed parts of plants are contacted, especially upper and lower leaf surfaces. Repeat dusting at 5 to 10 day intervals or as necessary. Punch holes in lid of can and sift directly on plants; OR BETTER - apply with dust gun. Dust lightly but thoroughly, cover foliage.

#### FOR USE AS A SPRAY:

Use 1 pound of ROSE DUST to 12 gallons of water. To make 1 gallon of spray use 5 level tablespoonsful of dust. Mix well, then spray. Shake sprayer occasionally to keep powder in suspension. Be sure to wet under side of leaves.

DISEASES: Roses: Black Spot, Powdery mildew, rust. Snapdragon rust, Carnation leaf spots.

INSECT PESTS: Aphids, canker worm, cucumber beetle, flea beetle, flea hopper, Japanese beetle, rose chafer, thrips (certain species), Red Spider.

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage, disposal or cleaning of equipment.

#### PESTICIDE DISPOSAL:

Pesticide, spray mixture, or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved state procedures under Subtitle C of the Resource Conservation and Recovery Act.

#### CONTAINER DISPOSAL:

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or disposal of in a sanitary landfill, or by incineration if allowed by state and local authorities.

#### WARRANTY - CONDITION OF SALE:

DIRECTIONS FOR USE of this product are based on field use and tests believed reliable and should be followed carefully. It is however impossible to eliminate all risks associated with use of this product. Because such factors as weather conditions, foreign material and manner of use for application are all beyond the control of the Seller of this product, such things as crop injury, ineffectiveness or other unintended consequences may result.

**ALL SUCH RISKS ARE ASSUMED BY THE BUYER**

Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the directions for use. Seller makes no other warranties, express or implied, including FITNESS OR MERCHANTABILITY. In no case shall the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. The foregoing is a condition of sale by the Seller and is accepted as such by the Buyer.

Attn: Ms. Les Shockey

Dear Ms. Shockey:

Subject: Amendment - Update Labeling  
Southland Pearson Rose Dust  
EPA Reg. No: 728-86  
Your Letter: May 11, 1982

The labeling referred to above, submitted in connection with amended registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable, subject to the following comments, and a stamped copy is enclosed for your records.

Prior to releasing the subject product for shipment, incorporate the following revisions into the labeling. Your release for shipment constitutes acceptance of these conditions:

1. Revise the "If swallowed" STATEMENT OF PRACTICAL TREATMENT as follows:

"If swallowed-Call a physician or Poison Control Center immediately. Drink one or two glasses of water and induce vomiting by touching the back of throat with finger. Repeat until vomit fluid is clear. Do not induce vomiting or give anything by mouth to an unconscious person."

(The statement which you had used was for emulsifiable concentrates, this one is more appropriate for dusts. This statement was given to you in the second paragraph of comment 8 of our last letter.)

2. Change the heading "Hazards to Humans and Animals" to "Hazards to Humans and Domestic Animals".
3. Change "PHYSICAL OR CHEMICAL HAZARD" to "PHYSICAL OR CHEMICAL HAZARDS".

(Underscore in above two comments indicates added text and should not be reproduced on label.)

3. Under "INSECT PESTS", change "thirps" to "thrips".

U.S. GOVERNMENT PRINTING OFFICE

-2-

Due to the Agency's new labeling policy, for all future submissions,  
forward 5 rather than 2 copies of draft labeling.

Sincerely yours,

George T. LaRocca
