**DOGS and CATS**—For control of Fleas and Lice, apply as a dust to all infested areas, thoroughly working the dust into hair by hand. Repeat applications as necessary.

**HORSES**—For control of Biting Lice, Sucking Lice, and Ticks, using a sifter can, distribute dust, working it into the hair thoroughly with the fingers. Treat all horses to avoid spreading of parasites to untreated horses. Apply at two week intervals to maintain control.

**GARDENS — AS A DUST:** Apply dust thoroughly at the rate of 1 pound per 871 square feet. Dust plants at 7 to 10 day intervals, directing dust so as to reach both the undersides as well as tops of the leaves. For best results, apply during cloudy weather, early morning, late afternoon and after rains. For more detailed recommendations, consult State Extension Service Authorities.

**AS A SPRAY:** Stir 6 to 8 tablespoonfuls into a paste with a little water, then add sufficient water to make 1 gallon of spray. This mixture should be stirred occasionally to maintain an effective suspension. Spray plants thoroughly, covering all insects to be controlled.

Pearson's 1.5% Rotenone will control Mexican Bean Beetles, Aphids on beans and peas; Cucumber Beetles on cucumbers, cantaloupes, beans, okra, squash and watermelons, Colorado Potato Beetles on potatoes; Bean Leaf Beetles on beans; Imported Cabbage Worms on cabbage, kale, lettuce and mustard greens; Harlequin Bugs on broccoli, brussel sprouts, cabbage, cauliflower, collards, kale and mustard greens; Squash Bugs on squash; Flea Beetles on tomatoes and potatoes.

This product is compatible with oil, neutral Bordeaux and lead or calcium arsenate; not compatible with lime. **WILL NOT BURN TENDER FOLIAGE!**

**CAUTION:** Do not apply within 1 day of harvest to the above mentioned crops. Harmful if swallowed or absorbed through skin. Wash hands with soap and water after handling. Avoid contact with skin. Avoid inhalation of dust. Wear clean clothing after use.

Do not contaminate water by cleaning of equipment, or disposal of wastes. Do not reuse empty container. Destroy by burying with waste or by burning. Stay away from smoke or fumes.

This product is poisonous to fish. Keep out of all lakes, streams and ponds.

**NOTICE:** Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, handling and storage of this material not in strict accordance with directions given herewith.
