Ms. Les Shockey
Drexel Chemical Company
P.O. Box 9306
Memphis, TN 38109

Dear Ms. Shockey:

Subject: Southland Pearson Tomato Dust
General Revision of Label in Response to
Carbaryl Registration Standard
EPA Registration No. 728-94
Your Application Dated January 3, 1985

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

Submit five copies of final printed labeling incorporating the changes listed below before you release the product for shipment.

1. Revise your Environmental Hazards paragraph to read:

This product is extremely toxic to aquatic invertebrates. Do not apply directly to water or wetlands. Do not contaminate water by cleaning of equipment or disposal of wastes.

This product is highly toxic to bees exposed to direct treatment or residue on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

2. Revise your Storage and Disposal directions to read:

Storage and Disposal

Do not contaminate water, food or feeds by storage and disposal.

Wastes resulting from the use of the product may be disposed of on site at an approved waste disposal facility.

207 3

-2-

Container Disposal

Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Sincerely yours,

Jay S. Ellenberger

CAUTION

EPA Registration Number 728-94
EPA Establishment Number 728-AL-1

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: HARMFUL IF SWALLOWED. Avoid Breathing of Spray. Do Not Take Internally. Avoid Contact with Skin and Eyes. Wear regular long-sleeved work clothing. Change to clean clothing daily. Wash hands and face before eating. Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT:

IF SWALLOWED: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES: Immediately flush eyes with plenty of water and get medical attention.

IF ON SKIN: Immediately remove contaminated clothing (Not in Nitrile Gloves) and wash skin with soap and plenty of water. If irritation develops, consult your physician.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not apply when weather conditions favor drift from areas treated. This pesticide is toxic to aquatic organisms. Do not contaminate water by cleaning of equipment or disposal of waste.

This pesticide is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Protective information may be obtained from your Cooperative Agricultural Extension Service.

This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

Subsequent planting of food and feed crops in treated soil must be crops on this or other carbaryl labels.

GENERAL INFORMATION

- PEPPERS**—For control of Anthracnose, Despora, European Corn Earworm, Flea Beetle and Hornworm.

- CUCUMBERS, SUMMER SQUASH AND WATERS**—For control of Downy Mildew, Cucumber Beetle, Flea Beetle, Hornworm, Pickleworm and Squash Bug.

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner not on its labeling.
Begin applications when insect damage and disease conditions exist. Repeat every 7 to 10 days or as necessary for good control on all pests listed above. May be applied to dry or moist foliage any time when good conditions exist. For effective insect control, thoroughly cover both upper and lower surfaces of leaves.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage, disposal or equipment.

PESTICIDE DISPOSAL:
STORAGE: Store in a Dry Place.
Pesticide spray mixture or rinse water that is not to be used should be disposed of in accordance with Federal and State procedures under Subtitle E of the Resource Conservation and Recovery Act.

CONTAINER DISPOSAL:
Completely empty bag by shaking and tapping sides and bottom to dislodge particles. Empty residue into appropriate container. Then place in a sanitary landfill or by incineration if allowed by State authorities.

WARRANTY—CONDITION OF SALE:
DIRECTIONS FOR USE of this product are printed on the label and are reliable and should be followed carefully. It is, however, impossible to eliminate all risks associated with use of this product. Because of the many conditions, foreign material and manner of use for application are all under the control of the buyer of this product, such things as crop injury, neither other unintended consequences may result. ALL SUCH RISKS ARE BY THE BUYER.
