NET WEIGHT 12 OZ. 340 GRAMS

Gulfspray Flying Insect Killer Formula 12, for household use only, quickly kills houseflies, mosquitoes, gnats, small flying moths, roaches, earwigs, grain mites, silverfish, sowbugs, spiders, centipedes, crickets, ants and wasps.

DIRECTIONS FOR USE

Apply this product only as specified on the label.

Remove pets, birds and cover fish aquariums before spraying.

Shake well before each use. Aim spray opening away from face and press button. Hold valve at least 3 feet from surfaces to avoid possible wetting.

TO KILL FLIES, MOSQUITOES, SMALL FLYING MOTHS, AND GNATS: Spray directly on insects or treat the entire room as follows: Close all doors and windows. Point nozzle upward, direct spray to all parts of the room. Fill the room with mist, then leave the treated area. Keep room closed for at least 15 minutes. Ventilate the room when treatment is completed. Repeat as necessary.

TO KILL ROACHES, EARWIGS, GRAIN MITES, SILVERFISH, SOWBUGS, SPIDERS, CENTIPEDES, AND CRICKETS: Spray directly on insects where possible. Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards, and storage areas. Repeat as necessary.

TO KILL ANTS: Spray trails, nests, and points of entry. Spray on ants where possible. Repeat as necessary.

TO KILL WASPS: Apply in late evening when insects are at rest. Spray liberally into hiding and breeding places. Repeat as necessary.
