

[731-13]

SM 8-11-70C S433

DIRECTIONS

Shake well before using. Remove cap, tip can upside down and press nozzle toward side of can and shampoo will "foam" out. May be applied directly to pet, or foam out a handful and apply. **NO WATER NEEDED**. Just rub it in and wipe off with a damp towel. Leave animal's coat soft and glossy . . . in "show" condition. Corrects dry, itchy skin conditions . . . kills fleas. Makes a bucket of lather . . . enough for several baths. Eliminates "D.O." and leaves pet with pleasant, woody scent.

CAUTION: Contents under pressure

Keep container away from direct sunlight, stoves, hot water or heat . . . store at medium low room temperature. Do not puncture container or throw used container into incinerator. Do not spray near open flame.

MONEY BACK GUARANTEE: Sudbury Laboratory guarantees Chaperone Foam Shampoo when used as directed.

ACTIVE INGREDIENTS:	
Technical Piperonyl Butoxide*	.880%
Pyrethrins	.088%
