DECLASSIFICATION AUTHORITY DERIVED FROM:
FBI AUTOMATIC DECLASSIFICATION GUIDE
DATE 08-29-2017

note: 15

1. The first of these is the "moral" or "ethical" aspect of the law. This aspect is concerned with the question of whether the law is just or unjust, and whether it is based on moral principles. The moral aspect of the law is often the subject of debate and controversy, and it is often the basis for civil disobedience and other forms of protest.

Directions

Read well before using. Spray thoroughly
and often, bark and twigs to be protected from
insects, water and weather. It may be neces-
sary to spray frequently to protect new growth.
For protection of dormant trees, spray twigs and
trunks to a height of 5 feet following leaf fall.
To obtain the maximum benefit of the prop-
erly applied, application should be made under favorable drying
conditions. Use sprayer thoroughly with water
after use to prevent clogging. Treatment may
also be made with a brush.

For other details, as to treatment, see enclosed.
