

This package contains 1½ oz. can of  
**Flea Powder**

For Use On . . .

**FLEA KILL BED OR CAT NAP BED**

**CAUTION:** Keep out of reach of children. Avoid breathing of dust.

This powder will effectively give flea killing qualities to your Pad.

**Directions**

Sprinkle this powder generously on outer pad and rub into nap. This will generally protect your pet's bed until you desire to wash the pad. In persistent cases use powder as often as once a week. Use Sudbury's Flea and Tick Spray directly on animals in extreme cases.

**ACTIVE INGREDIENTS:**

|                          |       |
|--------------------------|-------|
