ENVIRONMENTAL HAZARDS

¹ The authors are grateful to the National Science Foundation (NSF) for support of this work under Grant Number DMR-9734650.

PHYSICAL HAZARDS

KEEP AWAY FROM FIRE OR SPARKS

IMPORTANT: When using Battery to Discard and during storage, this may lead to certain interface changes which will reduce the effectiveness of the Battery to Discard and only be used when not in use.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL

Do not reuse empty container. Wash container and put in trash collection.

Biorhiz is recommended for the control of certain diseases of roses, flowers, ornamentals and turf. It is highly effective for the control of many fungal diseases, providing both curative and protective action. Biorhiz is a waterable powder to be mixed with water for application as a spray. Pour 1 unit (some 10 g) for 1 litre into 1/2 of the recommended water in sprayer and agitate. Add balance of water. Agitate mixture thoroughly to ensure uniformity.

BEANS (SNAP)

[illegible]

CUCUMBERS, MELONS, SUMMER AND WINTER SQUASH

Gumby Star Bright Powder M. New American Co. Apply 1 pint/bottle per 2 Quarts (160 L) of water to 250 square feet. Bag applications when plants begin to flower or when disease first appears, and repeat at 7-14 day intervals as needed.

BULLS

[illegible]

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 731-36."
 - b. On the glass vial change "Active Ingredients" to the singular form "Active Ingredient."
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(a). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
