

7-116-110

ACCEPTED  
SEPT 28, 71

Rose and Floral Insects Controlled: Aphids, Spider Mites, Rose Slugs, Thrips, Rose Midge, Rose Chafer, Rose Leafhopper, Flea Beetles, Asiatic, Tarnished Plant Bugs, Rose Leaf Beetles, White Flies, Diabrotica Beetles.

Rose and Floral Diseases Controlled: Powdery Mildew and Black Spot on roses, Botrytis Blight on gladioli, and Leaf Spot on chrysanthemums, hollyhocks and snapdragons.

Note: Twice weekly applications may be necessary to prevent disease build up during rainy or high humidity periods and during periods of rapid growth, to provide coverage of new foliage and flowers.

**DIRECTIONS FOR USE**

Make uniform application to foliage and flowers so that dust is deposited on both upper and lower surfaces of plant. Best results will be obtained when application is made in early morning while dew is on or late afternoon when air is still and plants are not exposed to hot sun. For best results application should begin early in spring as growth starts and be repeated at least once weekly for balance of season.

**CAUTION** May be absorbed through skin. Avoid breathing of dust. Harmful if swallowed. Avoid contact with skin and eyes. May cause irritation or sensitization of skin. Do not take internally. Wash thoroughly after use. Do not contaminate feed or foodstuffs. Store in cool dry place. Keep containers closed when not in use.

Active Ingredients:	
Zineb (Zinc ethylene bisdithiocarbamate)	3.90%
2,4-Dinitro-6-octyl phenyl crotonate	0.73%
2,6-Dinitro-4-octyl phenyl crotonate	0.05%
Gamma isomer of benzene hexachloride from Indane	1.00%
Methoxychlor technical	5.00%
1,1-bis (chlorophenyl) 2,2,2-trichloroethanol	1.48%
Inert Ingredients	87.84%
Total	100.00%

A mixture of 1 methylheptyl, 1 ethylhexyl, and 1 propylpentyl isomers. Equivalent to 4,4'-2,2-bis(p-methoxyphenyl)-1,1,1-trichloroethane and 0.6% related compounds.

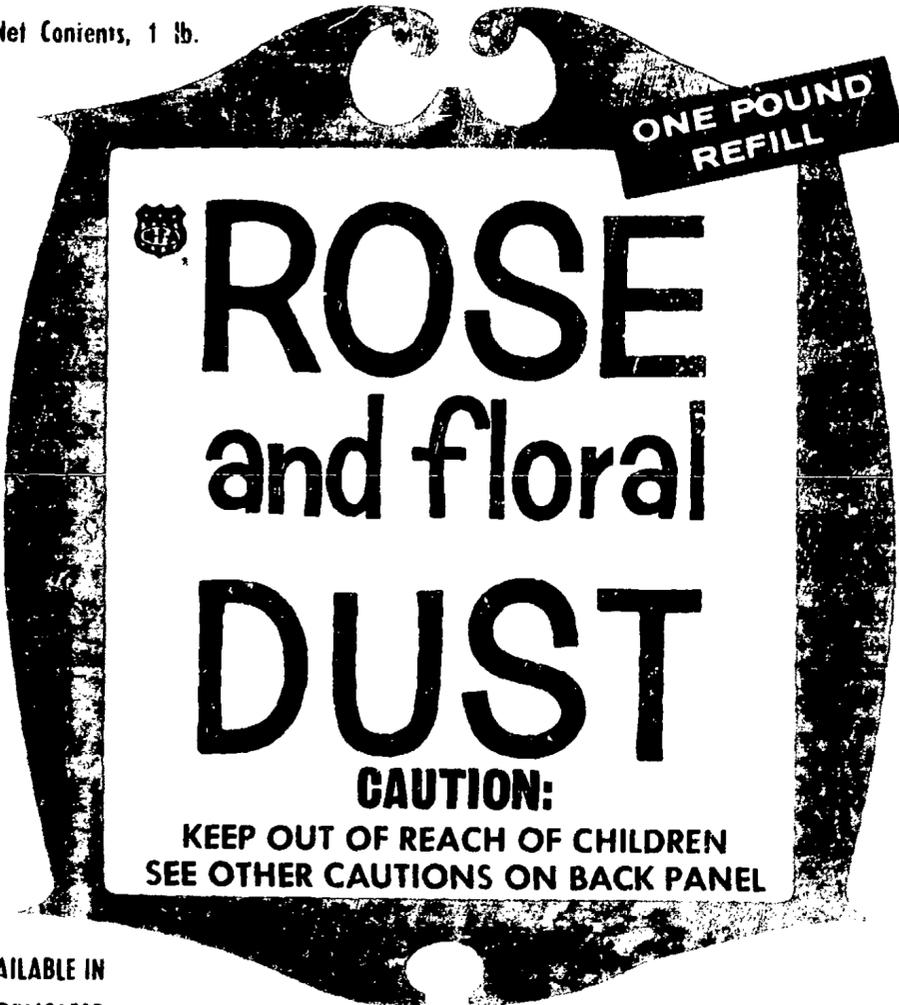

Destroy Used Container: Rinse empty container thoroughly with water and discard it.

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes.

**WARRANTY** MFA Oil Company warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use. Neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to MFA Oil Company and buyer assumes the risk of any such use.
