<p>Contact 1-412-434-4515 or your Poison Control Center for 24-hour emergency medical treatment information. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.</p>	
<p>NOTE TO PHYSICIAN</p> <p>* Probable mucosal damage may contraindicate the use of gastric lavage.</p>	

ENVIRONMENTAL HAZARDS: Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL:

Do not contaminate water, food or feed by storage or disposal.

Storage - Store in a cool, dry, well-ventilated area between 32°F and 80°F. Storage below 80°F will cause crystals to turn white; storage above 80°F will cause crystals to fuse and cake. Short-term exposure to extremely high temperatures, above 80°F, can rapidly cause caking. Inspection of containers should be made within ten days of receipt to determine whether fusing or caking has occurred in transit. Store only in closed, properly labeled containers.

Pesticide Disposal - Waste resulting from the use of this product must be disposed of at an approved waste disposal facility.

Container Disposal - Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Reuse is limited to the same class of pesticide or to non-pesticide products, provided reuse is in compliance with all regulations. This label must be removed prior to any container reuse.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

An insecticide only for formulation into registered end-use products for the following uses: Domestic, Indoors (Air-Tight Containers and Storage Closets) for Control of Clothes Moths and Carpet Beetles. This product may also be used to formulate products for additional uses if the end-use registrant has complied with U.S. EPA data submission requirements.
