NET WEIGHT 100 LBS.

PITTABS®

**WATER TREATING AGENT
BACTERICIDE · ALGAEICIDE · BLEACH**

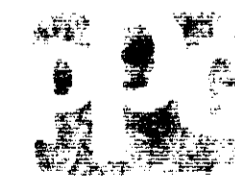

Tablet Calcium Hypochlorite 70% Available Chlorine
ACTIVE INGREDIENT Calcium Hypochlorite 70%
INERT INGREDIENTS 30%

KEEP OUT OF THE REACH OF CHILDREN
STRONG OXIDANT
FIRE MAY RESULT FROM CONTACT WITH HEAT,
ACIDS, ORGANIC OR COMBUSTIBLE MATTER
HARMFUL IF SWALLOWED
MAY CAUSE CHEMICAL BURNS

Do not get in eyes.
Avoid contact with skin or clothing.
In case of contact, wash skin with
water; for eyes, flush with plenty
of water for at least 15 minutes
and GET MEDICAL ATTENTION.

IMPORTANT STORAGE AND HANDLING INFORMATION

77 407 000 OF 0000

Keep PITTABS in original container in a cool, dry place.

Keep container closed when not in use.

Keep away from heat sources, sparks, open flames and lighted tobacco products.

Use only a clean, dry scoop made of metal or plastic each time PITTABS are taken from the container.

Fire may result if PITTABS are contaminated by small amounts of foreign material, such as tobacco, beverage, paint products, soaps, cleaners, oil, kerosene, rags, paper, varnish, sugar and most other chemicals, organic or combustible materials.

In case of fire, drench with water. PITTABS supply oxygen; therefore, attempts to smother fire with a wet blanket, carbon dioxide or a dry chemical extinguisher are ineffective.

Wash hands after handling.

Do not reuse empty container. Destroy when empty.

SEE CONTAINER LID FOR INSTRUCTIONS ON HOW TO USE PITTABS

USDA Reg. No. 74B-138
